Design Inspiration

Round Table Design Talk

Featured with the topic of “Design for a Better Life”, 12 well-known international and Chinese architectural, interior design and media industry leaders, as well as branded upholstery suppliers gathered at the Round Table Design Talk to share their insights towards their works and case studies.

Contract Business 360°

Internationally renowned industry professionals offered guided tours and seminars to bring out a new angle on contract business fabrics. A dedicated display area designed by the Chinese cutting-edge designer Mr Zhou You presented a unique commercial customised textile visiting experience.

Recognition from exhibitors

For us, Intertextile is the number one gateway to the Chinese market. We had quite a diverse range of visitors, including an increase in e-commerce buyers, but also more traditional upholstery fabrics buyers.

*Mr Thomas Luys, Sales Manager,
LIBECO-LAGAE, Belgium*

The fair is a key platform for us to showcase our new items, and the buyers have shown strong interest in our products, so this fair creates very good opportunities.

*Mr Jose Carlos Oliveira, CEO, Upholstery Division,
Elastron Portugal, Portugal*

2020 China Home Textile Trend

China Home Textile Association and Concept & Style Fashion Project Group Italy presented their research of “2020 China Home Textile Trend” through visualising four themes, including “Fade”, “Rise Up”, “Seeds” and “Daring”, to express the lifestyle of consumers and the spirit of 2020 home textile trends.

Textiles & Technologies

Digital Printing Micro Factory and Seminars

Together with Global Fortune Limited and “Fashion Print” magazine, a workshop and seminars were held to demonstrate the streamlined workflow and to discuss the problems of digital printing on flexible production and solutions.

TPET Intelligent Factory Integration System

A real modern factory model was operated onsite to enlighten the industry’s decision makers to improve their management and production line into a much more efficient and automatic style.

Praise from visitors

One of the great attractions of Intertextile is the range of exhibitors we can source from and form new partnerships with. After 25 years in China, Intertextile is a barometer of the industry's development.

*Ms Joan Zi, Sourcing Manager,
Champs Living Museum, China*

We've been attending Intertextile for over 20 years. It is definitely a useful platform for market insight, and to discover new products and technologies. We can find new suppliers here, as well as meet our regular partners.

*Mr Bharat Jasani, Executive Director,
Tejani Interior Décor Sdn. Bhd., Malaysia*

Business 020

Design + Trade @ E-commerce Zone

The dedicated zone offered visitors an exploration between upstream and downstream supply chains and end users in the home textile industry.

Industry Empowerment

Licensing Seminar

In response to a growing business model in China, speakers shared the trends of licensing and how a company could benefit from correctly taking a license.

Business Talk – Interior Industry

International industry leaders from upholstery, lighting and home decor shared their insight towards the market development trends and matching worldwide interior business channels at a conference and talks.

Licensing x Home Living Zone

This dedicated zone showcased different types of licensed home textile products and licensing content to assist home textile companies to find new business opportunities through licensing.

E-commerce Talk

Industry specialists shared the latest market updates and developments within the e-commerce and interior design industry.
