GROHE
W

INTRO DUCTION

GROHE, known globally as the Masters of Technology, plays a pivotal role in our brand portfolio, producing high-quality faucets with design inspirations to match.

Manufactured in Germany, our GROHE ranges bring you market leading products that deliver on the GROHE core values of technology, quality, design and sustainability.

As the distributors of GROHE in South Africa and now 100% owned by LIXIL, we have access to the knowledge, capabilities and product platforms of the biggest and most innovative sanitary ware company in the world. This, combined with a wealth of local industry knowledge, experience and skills, will ensure we continue to make a significant impact in the industry.

Our local GROHE portfolio focuses on our best selling and most loved ranges, ensuring these products are available to you when you need them. The portfolio covers a range of styles, designs and technologies that ensures we have the perfect product for your home, your building or your project.

I would like to take this opportunity to thank all our customers who are as passionate about our brand as we are and look forward to continuing to bring to life through our products the "Pure Joy of Water".

Yours sincerely
Chief Executive Officer, LIXIL Africa

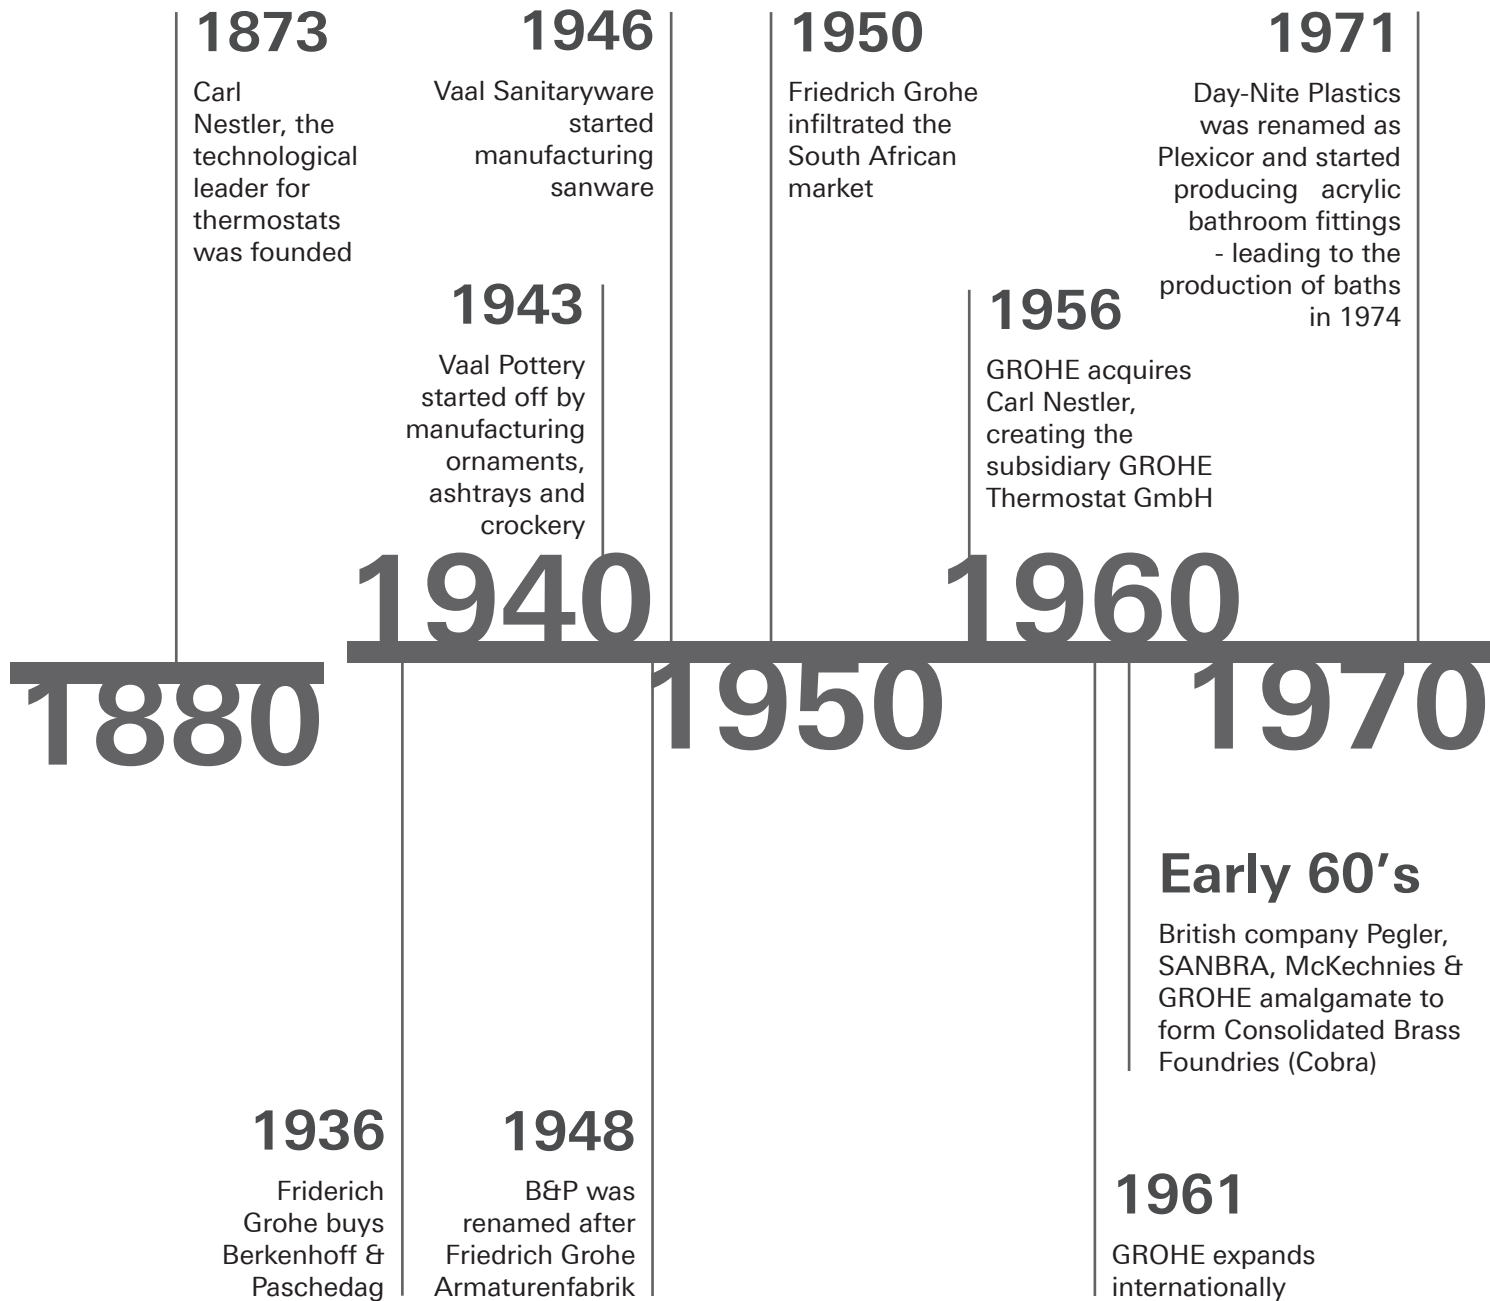

ABOUT GROHE

GROHE is a leading global brand for complete bathroom solutions and kitchens. GROHE has been part of the LIXIL Group Corporation since 2014. As an international brand, GROHE pursues the brand values of technology, quality, design and sustainability, seeking to offer the “Pure joy of water”.

GROHE has been developing new product categories since its inception, constantly innovating in the market of smart home technology. Innovation, design and development are closely aligned with one another and are enshrined in the German site as an integrated process. As a result, GROHE products carry the seal of quality “Made in Germany”. In the last ten years alone, GROHE has received over 300 design and innovation awards as well as several top rankings as one of “Germany’s most sustainable large brands”, confirming the success of the brand.

GROHE was the first in its industry to win the German government’s CSR prize and was also featured in the renowned Fortune® magazine’s ranking of Top 50 that are “Changing the World”.

2015

LIXIL takes over management of GROHE Dawn Water Technology

1980

2000

2020

1990

2010

1986

Castle Watertech and Cobra Brassware consolidated to become Cobra Watertech

2017

LIXIL wholly acquires GROHE Dawn Water Technology

1980

Isca was created by Yigal Yaretzkey and Avi Schacher

2014

GROHE Dawn Water Technology was formed

HISTORY

GROHE has a rich tradition of creating market-leading products. GROHE has expanded its core competencies by acquiring the skills and experience of innovative enterprises. Each new acquisition has made a new know-how incorporated in the portfolio. The best example is Carl Nestler: founded in 1873, the company had already earned a reputation as a faucet-maker in the early years and developed the new thermostat technology with advanced optimisations. The company has been part of GROHE since 1956 and to this day the thermostats still remain an important part of the GROHE product portfolio. They influence the corporate DNA of GROHE. Time after time, more pioneering companies have been brought into the GROHE Group to strengthen the business as part of our drive to offer consumers the latest and best technology.

In South Africa, GROHE forms part of the LIXIL Africa brand portfolio.

OUR EXPERTISE

Customer Service and Spares

At GROHE in South Africa, we are renowned for our after-sales service and availability of spares, affording our customers peace of mind. Our service team was recipient of the 2016 Customer Service Award of the Year from the Steel & Engineering Industries Federation of South Africa (SEIFSA). Our dedicated national after-sales service number (0861 21 21 21) enables customers to speak directly to a service consultant for over-the-phone advice or book a service call for a consultant to personally visit the site in question. We are committed to attending to our customers' calls within 24 hours.

BRAND VALUES

Design

Signature elements styled to perfection. An empathetic and intuitive design language offers us the opportunity to create products that feel as if they were designed just for you. This unique GROHE DNA that is both ergonomic and visually distinctive has earned us numerous design awards: world class references are testimony to our world-wide recognition.

Technology

Mastering water through technology. In our relentless search for technological innovation we work to integrate the latest digital advances, creating smart solutions that enhance our customers' enjoyment of water. Our in-house experts harness the power of water to enhance the experience of our customers every day – the moment of truth, for our products and brand.

Quality

German perfectionism inspires ultimate customer confidence. We strive for an excellence that goes way beyond the surface of our products. In fact, from design to production and customer service we aim for nothing less than perfection at every stage. Our history of great German engineering, rigorous internal tests and numerous external certification processes are what gives our customers complete confidence in a name they can trust.

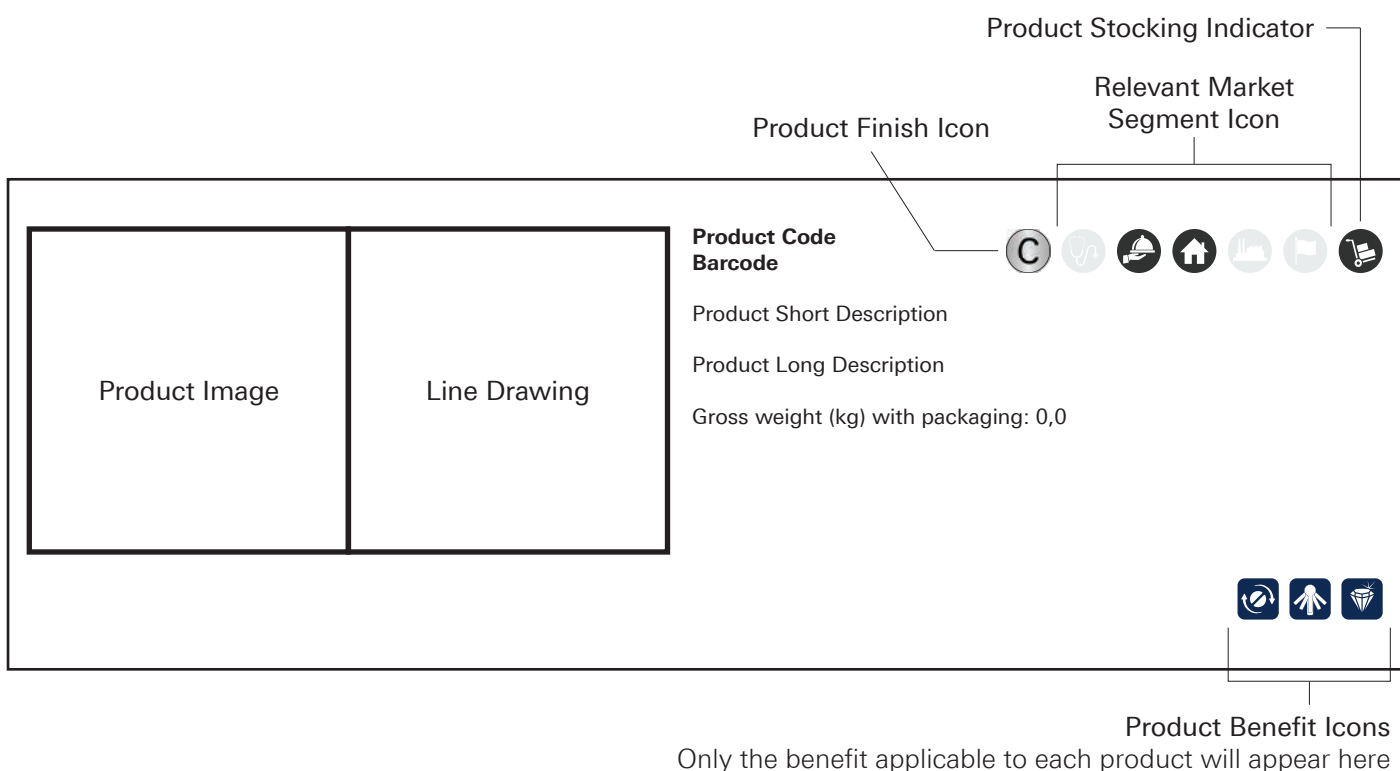

Sustainability

Ensuring water enjoyment for generations to come. Water is as essential as the air that we breathe, one more reason why we are so passionate about it. To be able to offer "Pure Freude an Wasser", not just to today's consumer but for generations to come, we offer sustainable product solutions like GROHE Blue, GROHE EcoJoy, and GROHE SilkMove ES, and we demonstrate through our Sustainability Report and Sustainability accolades that we have made a serious corporate commitment to protecting the planet.

GLOSSARY + GUIDELINE TABLE

How to read the product catalogue:

Product Finishes:

The majority of our GROHE showroom products are finished with the GROHE StarLight® chrome plating. GROHE faucets are guaranteed to look as beautiful decades on as they did the day you first fell in love with them. The success lies in our long-lasting surface quality: GROHE StarLight® Technology.

The below icons indicate the colour of the corresponding product in the catalogue section of this book.

Product Features and Benefits:

GROHE products are produced to offer maximum added value to our customers. The below shows the various features & benefits afforded by the product portfolio.

In the catalogue section of this book, the features attributed to each product are denoted by the relevant icon

PureShine

High shine chrome coating makes cleaning easy.

GROHE Starlight chrome coating on taps means you can just wipe them down with a dry cloth – no marks, no streaks, no water spots. The ultra-bright surface is scratch-resistant so will keep its original lustre with minimal maintenance.

SilkMove

Smooth control comes from superior cartridge technology.

Having a GROHE SilkMove cartridge in your taps is the ultimate convenience. You can vary water temperature and flow with barely a touch of the handle, and GROHE's superior German engineering and craftsmanship means it will work as brilliantly for years to come.

QuickFix

Easy installation system with straightforward instructions.

You'll have this tap mounted in the blink of an eye. The easy installation system comprises only a few parts and is very easy to use. Coming with flexible hoses and a clear set of instructions, you'll find the installation of your new tap is really simple.

QuickFix Plus

Fitting a tap has never been quicker and easier – that's GROHE QuickFix Plus.

The GROHE QuickFix Plus system includes an innovative nut with a special thread that makes fitting easier and faster – it cuts the standard installation time by up to 50%.

EcoJoy

Cut down on water consumption and bills with GROHE EcoJoy.

GROHE EcoJoy reduces the amount of water your tap uses by up to 50%. The really clever part is that thanks to the tap's internal technology you still get a full jet of water every time you turn on the tap. Save water and money without compromising on comfort.

AquaGuide

Variable spout opening changes direction of water flow.

No more splashes! The GROHE AquaGuide variable spout end lets you point the water flow where you want it, depending on the depth and curve of your bathroom basin. Set the spout to the angle you want and enjoy GROHE comfort every day without spills or splashes.

TurboStat

Set water temperature instantly and reliably with GROHE TurboStat.

No more sudden temperature changes. With GROHE TurboStat thermostat technology, set your desired temperature then enjoy perfect comfort knowing your water won't suddenly heat up or go cold no matter how the supply fluctuates.

SafeStop & SafeStop Plus

GROHE SafeStop (Plus) – scalding protection at 38°C and (optional) 43°C.

Great for homes with children, this safety feature is set at 38°C, preventing you from turning up the water temperature too high. If desired, higher temperatures can be selected by pushing the button. Optional for additional safety: the easy-to-fit GROHE SafeStop Plus limiter ensures that the temperature does not exceed 43°C.

SpeedClean

Avoid limescale build up in your shower head with SpeedClean.

Easy cleaning in double-quick time. Say goodbye to limescale with this integrated anti-limescale system. Flexible silicone nozzles in the shower head let you wipe off limescale with just your hand, so there's no chance for it to build up and reduce your shower's function.

Inner WaterGuide

Super-insulated water guide channels heat away from surfaces.

The Inner WaterGuide protects you and your chrome surfaces. Internal insulation means the shower surface won't get too hot to touch. This also protects the brilliant finish meaning the looks of your super-safe shower will last even longer.

ShockProof

Prevent shower head damage with ShockProof silicone rim.

Reduce damage to your shower head. GROHE technology makes its shower heads smart inside and out. The ShockProof protective silicone ring around the edge of the shower head means it won't suffer reduced function if dropped from wet hands.

TwistFree

TwistFree – prevents your shower hose from twisting.

TwistFree shower hoses are inspired by everyday experience: ever had to struggle with a twisted shower hose? TwistFree keeps your shower hose flexible and in shape, saving you that trouble.

One-Click Showering

Conveniently positioned on the back of the hand shower and on the side of the head shower, the One-Click Showering gives you direct access to your preferred spray pattern. Never again will you have to twist the spray face or click through several patterns to reach the one you want. Just press the corresponding button & enjoy.

Grohe Zero

Lead-free, corrosion-resistant faucets thanks to the unique GROHE-developed alloy.

DreamSpray

GROHE DreamSpray delivers showering luxury for every spray pattern.

Enhance your showering with the GROHE DreamSpray technology. DreamSpray ensures the flow from every nozzle has a perfectly balanced flow, whatever spray pattern you choose, so that your shower experience is completely comfortable and enjoyable.

Rain Spray

Enjoy a gentle showering experience with Rain Spray

Relax under the delicate Rain Spray pattern. Let the soft sensation of summer rain on your skin soothe away stress and tension to leave you revitalised in every way. GROHE's Rain Spray brings the natural enjoyment of water into any bathroom.

Rain 0² Spray

A soft, smooth spray based on our original Rain spray. Air is drawn into the shower head & mixed with the water for a wider & fuller spray.

Massage Spray

A pulsating spray pattern for a stimulating massage. If you are looking forward to a truly stimulating shower that will get all your senses buzzing, then the powerful Massage Spray is the perfect choice. This is a pulsing spray pattern that gives you a unique and invigorating all-over massage.

Bokoma Spray

Eight dynamic spray nozzles create a 'breathing' effect, providing the tension-relieving sensation of a fingertip massage. Enjoy maximum vitalization. With a steadily moving jet created by eight dynamic spray nozzles, the GROHE Bokoma Spray® delivers a unique sensation that is as relaxing as a fingertip massage. The Bokoma Spray™ is the latest patented shower innovation by GROHE, inspired by the centuries-old tradition of the Aborigines using little twigs to massage their heads. It is so invigorating it is even recommended by leading spa therapists and personal trainers.

Jet Spray

Jet Spray – revitalizing massage and efficient cleaning

The perfect combination: whenever you're in need of a fresh burst of energy, our dynamic Jet Spray provides a pleasant revitalizing sensation on your skin. And after your shower, the powerful water jet will easily clean your shower or tub.

Waterfall Spray

Let this opulent cascade of water pour over you, washing away the day and leaving you refreshed and exhilarated. An extra-wide water outlet recreates the exhilarating impression of a waterfall.

Product Market Segments:

GROHE products are produced in order to satisfy the needs of a variety of market segments or project types. The below shows the various market segments serviced by the GROHE product portfolio.

In the catalogue section of this book, the appropriate market segments attributed to each product are denoted by the relevant icon.

Health Facilities

This segment includes public and private hospitals, clinics, frail care facilities, veterinary hospitals and doctors' rooms.

Residential

This includes high, medium and entry-level housing.

Government

This segment includes the Department of Public Works and Department of Correctional Services; South African Police Services; Departments of Human Settlements, Health, Basic Education; Department of Higher Education and Training; Department of Defence; Department of Rural Development; South African Revenue Services; Department of Sport and Recreation and the Department of Transport.

Hospitality

This segment includes hotels, guest houses, guest lodges, inns, self-catering lodges and convention centres.

Commercial or Industrial

Included in this segment is office buildings, petrol garages, warehouses, factories, shopping centres, shopping malls, retail outlets, sports facilities and distribution centres.

Stock Keeping Policy:

The LIXIL stock keeping policy differentiates between products where stock is stored in distribution centres for future sales and products that are either made, assembled or purchased according to customer order.

Stock Keeping Items

- These products have been identified as part of the brand's core range where it has proved beneficial for stock to be stored in order to fulfil orders.
- Sales forecast quantities for these items are put together monthly by the LIXIL sales team and stock is produced, assembled or ordered in advance according to these forecasts as well as any expected new business or promotional activity.
- The primary objective of this policy is quicker stock delivery times to customers as there would already be stock on hand available to be delivered.

Make to Order Items

- These products have been identified as items with infrequent order patterns and are not part of the brand's core ranges. Keeping stock of these items on hand often adds complexity & costs to the supply chain process.
- Products and/or parts are only produced or ordered when a customer order has been received.
- Although this could add time on to the expected delivery date, the cost savings Lixil achieves by not holding stock of these items allows us to offer other benefits to customers, such as reduced pricing & marketing campaigns.

PRODUCT CARE & MAINTENANCE

Cleaning

To maintain the lustre of chrome plated surfaces simply wipe occasionally with a soft damp cloth using a mild dishwashing detergent or soap solution. Rinse, dry and buff with a soft cloth.

Warning!

Many household and industrial cleaners contain abrasives and or harsh chemical compounds and acids. Do not use these cleaners as they may irreparably discolour, dissolve or scuff the chrome plate finish.

Avoid using abrasive cloths or scouring pads.

Maintenance

The frequency and extent of maintenance required for this product varies according to prevailing site and operational conditions. No regular maintenance is required and spare parts are available for key components.

WARRANTY

LIXIL warrants that their products will be clear of material and manufacturing defects. Appraisal of the above will be done against ruling manufacturing specifications and standards at the date of manufacture. Defective product will be repaired or exchanged at LIXIL's sole discretion. LIXIL shall not be liable for indirect or consequential loss or damage.

THE WARRANTY WILL BE VOIDED UNDER THE FOLLOWING CONDITIONS:

- Products used with water pH falling outside of the guidelines set by the Department of Water Affairs and Forestry or similar body;
- Products not installed by a registered or accredited installer;
- Products used with or included in installations where water temperatures are outside of the temperature range stipulated for that product, or as laid down in the Standards for water supply and drainage (SANS 10252 & 10254) or an equivalent international standard;
- Products not installed according to manufacturer's installation instructions or according to valid Water Regulations and general good plumbing practice;
- Products which have failed as a result of dirt or debris in pipe-work which has not been flushed prior to the use of terminal fittings;
- Where a defect is attributable to the incorrect use or incorrect handling of the product;
- Where routine maintenance has been neglected;
- If spare parts other than the original spare parts are used during repairs or maintenance of the product;
- If damage was caused by transport by a third-party transporter;
- If the surface of the product has been scratched;
- Products used or intended for display purposes;
- If consumables (e.g. filters, filter cartridges, aerators or batteries) or material subject to wear and tear (such as seals or hoses) are affected;
- If product damage is as a result of chemicals and cleaning agents, lime-scale build-up, aggressive environmental influences, or disruptions resulting in damage which are caused by freezing or lime- scale build-up;
- If the defect is caused by specific environmental circumstances (e.g. excess or negative pressure in the line, excess voltage or under voltage on the line);
- If the defect is attributable to willful or negligent damage to the product by the user or a third party;

LIXIL Africa reserves the right to review any specific case in order to assess the validity of this warranty. LIXIL Africa may charge a discretionary service fee of R350-00 when called out to inspect products which are not LIXIL Africa products or where there is an illegitimate claim.

THE WARRANTY IS VALID FOR:

- 20 years taps & mixers, wastes, capillary and compression fittings
- 5 years showerheads
- 2 years electronic mixers components and valves
- 2 years valves (geyser and toilet)
- 10 years Cobra-Safe multi-layer pipe system (must be used with Cobra compression fittings and Cobra-Safe inserts or warranty shall be void)
- 10 years on all baths, shower trays and vanities, except Tanya, Widestar and Scarlett baths which carry a 5 year warranty
- 20 years on baths with Amazonite coating
- 1 year on spa bath fittings and on all bath panels
- 10 years on all sanitaryware
- 6 months on all toilet seats supplied by Vaal Sanitaryware

MISCELLANEOUS:

This warranty shall apply in the above-mentioned scope and subject to the above-mentioned prerequisites. Proof of purchase will be required.

This LIXIL Africa warranty is carried by LIXIL Africa. Please contact our Service Department on 0861 21 21 21 for warranty enquiries or further warranty information.

4005176846830

Nova Cosmopolitan Dual flush actuation chrome

For dual flush or start & stop actuation. For pneumatic drop valve AV1. For vertical and horizontal installation. GROHE StarLight chrome finish. GROHE EcoJoy technology for less water and perfect flow.

Gross weight (kg) with packaging: 0,440

G-38844000
4005176874963

Arena Cosmopolitan Dual flush vertical actuation chrome

For dual flush or start & stop actuation. For pneumatic drop valve AV1. For vertical installation. GROHE EcoJoy technology for less water and perfect flow. GROHE StarLight chrome finish.

Gross weight (kg) with packaging: 0,460

G-38858000
4005176876714

Arena Cosmopolitan Dual flush horizontal actuation chrome

For dual flush or start & stop actuation. For pneumatic drop valve AV1. For horizontal installation. 156 x 197 mm. Made of ABS plastic. GROHE StarLight chrome finish. GROHE EcoJoy technology for less water and perfect flow.

Gross weight (kg) with packaging: 0,460

G-38393SD1
4005176929564

Tectron Skate Electronic for flush valve, stainless steel

With transformer 100-230 V AC, 50-60 Hz, 6 V DC. Concealed installation. Front plate 156 x 197 mm. Infra-red control. Solenoid valve. 7 pre-set programs: auto flush; cleaning mode; pre-flush on/off. Additional functions and precise settings by remote control 36 407. Adjustable flush (3 - 9 l) by hand and remote. CE approved.

Gross weight (kg) with packaging: 1,360

G-38698SD1
4005176929571

Tectron Skate Electronic for flushing cisterns stainless steel

With infrared sensor for bi-directional communication for monitoring, configuration and servicing. With transformer 100-230 V AC, 50-60 Hz, 6 V DC. For flushing cistern GD 2 / Rapid SL 1.13m only. Servo motor. Concealed installation. Front plate 156 x 197 mm. Infra-red control. 7 pre-set programs: auto flush; cleaning mode; pre-flush on/off. Additional functions and precise settings by remote control 36 407. CE approved.

Gross weight (kg) with packaging: 1,215

ACTUATION PLATE FOR URINAL

G-38784000
4005176855535

Skate Cosmopolitan actuation chrome

Manual activation for urinal. Compatible with Rapido U or Rapido UMB. 116 x 144 mm. Mechanical functional cartridge. Flow pressure min 0.5 bar. Operating pressure max 6 bar. 1.0 - 6.0 adjustable. GROHE StarLight chrome finish.

Gross weight (kg) with packaging: 0,280

G-38784SD0
4005176877407

Skate Cosmopolitan actuation stainless steel

Manual activation for urinal. Compatible with Rapido U or Rapido UMB. 116 x 144 mm. Mechanical functional cartridge. Flow pressure min 0.5 bar. Operating pressure max 6 bar. 1.0 - 6.0 adjustable. Low noise (group II according to German noise specification). Plastic fixing frame. Hidden fixing screws.

Gross weight (kg) with packaging: 0,400

G-38804000
4005176861512

Nova Cosmopolitan actuation chrome

Manual activation for urinal. Compatible with Rapido U or Rapido UMB. 116 x 144 mm. Mechanical functional cartridge. Flow pressure min 0.5 bar. Operating pressure max 6 bar. 1.0 - 6.0 adjustable. GROHE StarLight chrome finish.

Gross weight (kg) with packaging: 0,300

G-37321001
4005176929496

Tectron Skate Electronic actuation chrome

With infrared sensor for bi-directional communication for monitoring, configuration and servicing. With transformer 100-230 V AC, 50-60 Hz, 6 V DC. Cartridge with solenoid valve and dirt strainer. Front plate 116 x 144 mm. Flow pressure min 0.5 bar. Operating pressure max 10 bar. 7 pre-set programs: auto flush; cleaning mode; pre-flush on/off. Additional functions and precise settings by remote control 36 407. Adjustable flow time by hand or remote. Compatible with Rapido U. CE approved.

Gross weight (kg) with packaging: 0,610

G-37321SD1
4005176929502

Tectron Skate Electronic actuation stainless steel

With infrared sensor for bi-directional communication for monitoring, configuration and servicing. With transformer 100-230 V AC, 50-60 Hz, 6 V DC. Cartridge with solenoid valve and dirt strainer. Front plate 116 x 144 mm. Flow pressure min 0.5 bar. Operating pressure max 10 bar. 7 pre-set programs: auto flush; cleaning mode; pre-flush on/off. Additional functions and precise settings by remote control 36 407. Adjustable flow time by hand or remote. Compatible with Rapido U. CE approved.

Gross weight (kg) with packaging: 0,660

G-37324SD1
4005176929533

Tectron Skate Electronic actuation with battery stainless steel

With infrared sensor for bi-directional communication for monitoring, configuration and servicing. 6V lithium-battery, type CR-P2. Battery lifetime approx. 7 years (150 actuations a day). Cartridge with solenoid valve and dirt strainer. Front plate 116 x 144 mm. Flow pressure min 0.5 bar. Operating pressure max 10 bar. Multistage battery status display. 7 pre-set programs: auto flush; cleaning mode; pre-flush on/off. Additional functions and precise settings by remote control 36 407. Adjustable flow time by hand or remote. Compatible with Rapido U or Rapido UMB. CE approved.

Gross weight (kg) with packaging: 0,750

G-37324001
4005176929526

Tectron Skate Infrared Actuator for Urinal 6 Volt

With infrared sensor for bi-directional communication for monitoring, configuration and servicing. 6 V lithium battery. type CR-P2. battery lifetime: approx. 7 years (150 actuations a day). GROHE StarLight finish. cartridge with solenoid valve and dirt strainer. front plate 116 x 144 mm. flow pressure min 0.5 bar. operating pressure max 10 bar. multistage battery status display. 7 pre-set programs: auto flush, cleaning mode, pre-flush on/off. additional functions and precise settings by remote control 36 407. adjustable flow time by hand or remote. set for final installation for Rapido U or Rapido UMB. CE approved.

Gross weight (kg) with packaging: 0.620

ANGLE VALVES, BOTTLE TRAPS & WASTE SET

ANGLE VALVES, BOTTLE TRAPS & WASTE SET

143

ANGLE VALVES, BOTTLE TRAPS & WASTE SET

G-2201600M
4005176940606

Angle valve 15 mm

With connection 1/2". Plastic handle. Marking: neutral. Screw escutcheon. Metal. GROHE StarLight finish. Sales unit 10 pieces.

Gross weight (kg) with packaging: 1,080

G-2201700M
4005176940613

Angle valve 15 mm with compression coupling

With compression coupling. 3/8". For copper pipe Ø 10 mm. Plastic handle. Marking: neutral. Screw escutcheon. Metal. 10 pieces. GROHE StarLight finish.

Gross weight (kg) with packaging: 1,200

G-43821000
4005176159633

Angle valve rough brass

Gross weight (kg) with packaging: 0,110

G-22940000
4005176829376

Angle valve

Without connector set 1/2". For copper pipe ø 10 mm. Tdl handle. Marking: neutral. Sliding escutcheon. Grohe starlight finish.

Gross weight (kg) with packaging: 0.230

G-28920000
4005176603914

Bottle Trap

For basins. with fixed dip tube. wall connection. sliding escutcheon. GROHE StarLight chrome finish.

Gross weight (kg) with packaging: 0.485

G-28912000
4005176266751

Bottle Trap

For basins. brass. (screw-top for cleaning). large sliding escutcheon. GROHE StarLight chrome finish

Gross weight (kg) with packaging: 0.885

G-40564000
4005176912740

Bottle Trap

For wash basin. GROHE StarLight chrome finish. brass body.

Gross weight (kg) with packaging: 1.390

G-40824000 **4005176332975**

Clicker Waste Set

For wash basins with overflow. removable plug. Closable.

Gross weight (kg) with packaging: 0.150
