Interiors

Who we are and what we love...

Duvenci Interiors is a household name in Bloemfontein when it comes to interior design and décor. We specialize in creating beautiful, functional spaces. With custom designed furniture, curtains and accessories sourced from the highest quality, we provide our clients with a stress free journey to a beautiful home!

Whether it is an existing house that needs a face lift or a newly built model, we use 3D technology to give our clients a sneak peak into what could be their dream home.

Not only do we offer floor plan designs, but we supply and custom manufacture each item that makes the house a home. From wallpapers to rugs, we give every space the much needed finishing touch.

With a passion for people, we strive to provide our clients with quality products and outstanding service.

Design and Layout

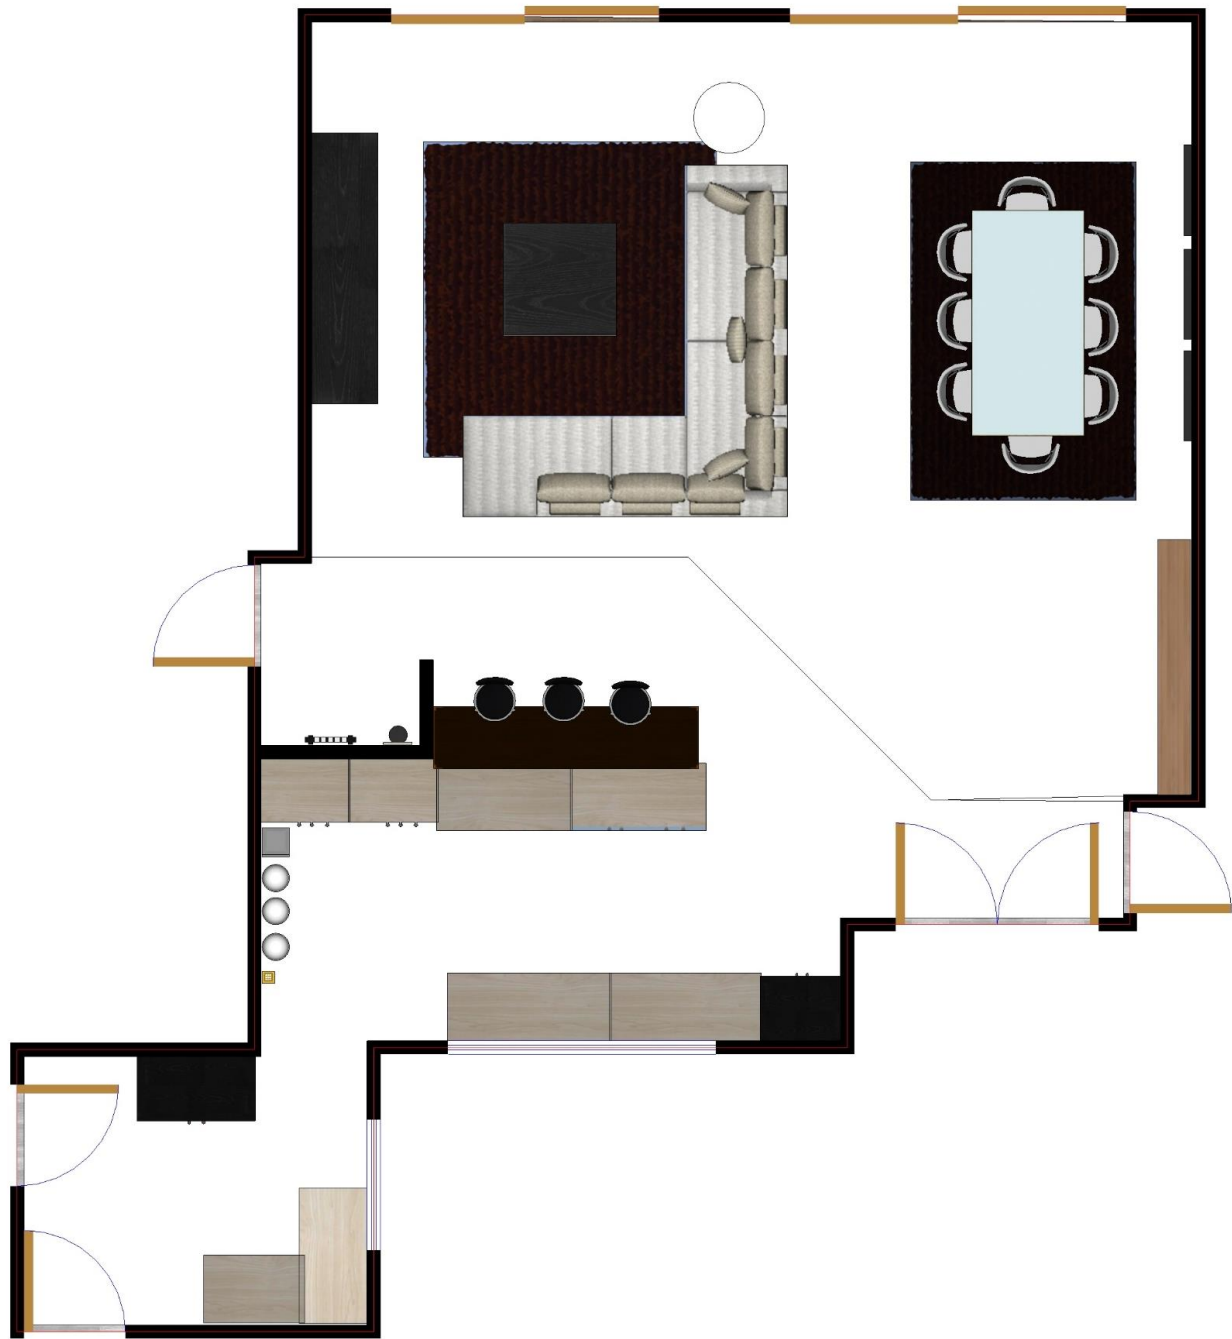

Whether you want to renovate or just want to find the perfect spot for your new chair, we can assist.

With floorplan layouts and 3D designs, you can virtually see your space come to life.

Curtaining and blinds

Every curtain and blind is custom made to our clients' specification.

Clients get to choose fabric from a wide variety of SA's leading fabric houses.

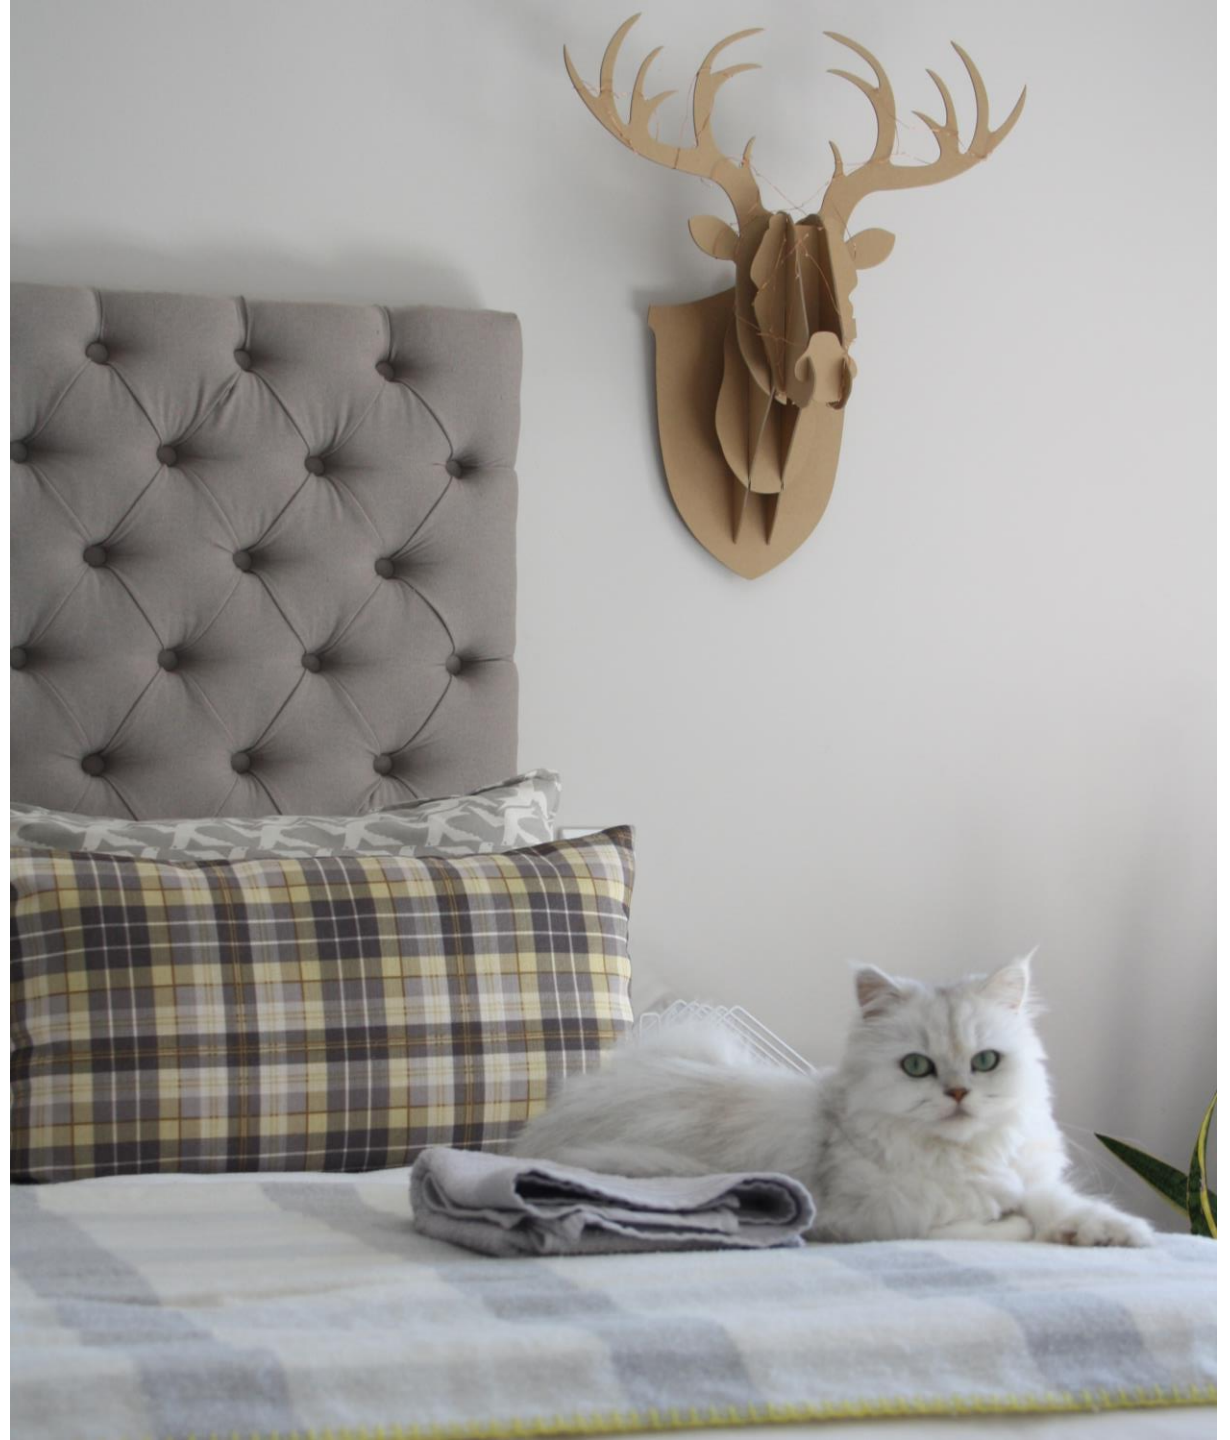

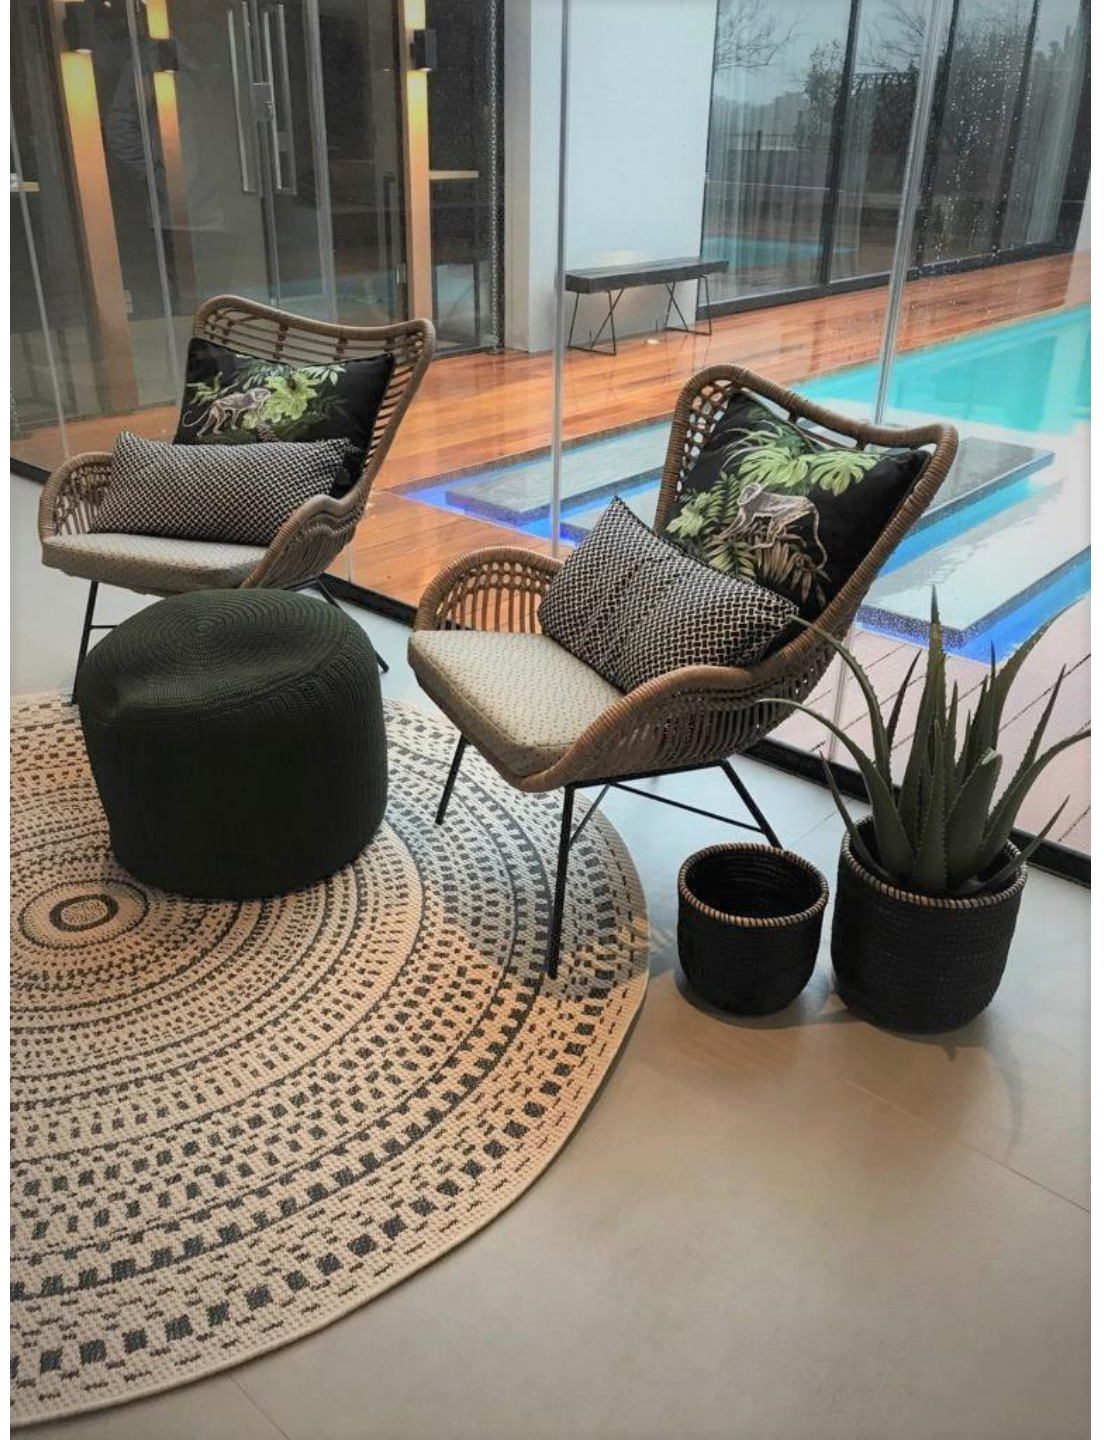

Soft Furnishings

Add the finishing touch to any room with detailed scatter cushions, custom designed headboards, ottomans and accessories.

Upholstery

Breathe new life
into an old chair
or sofa by
re-upholstering it.

We offer our
clients quality
upholstery
service.

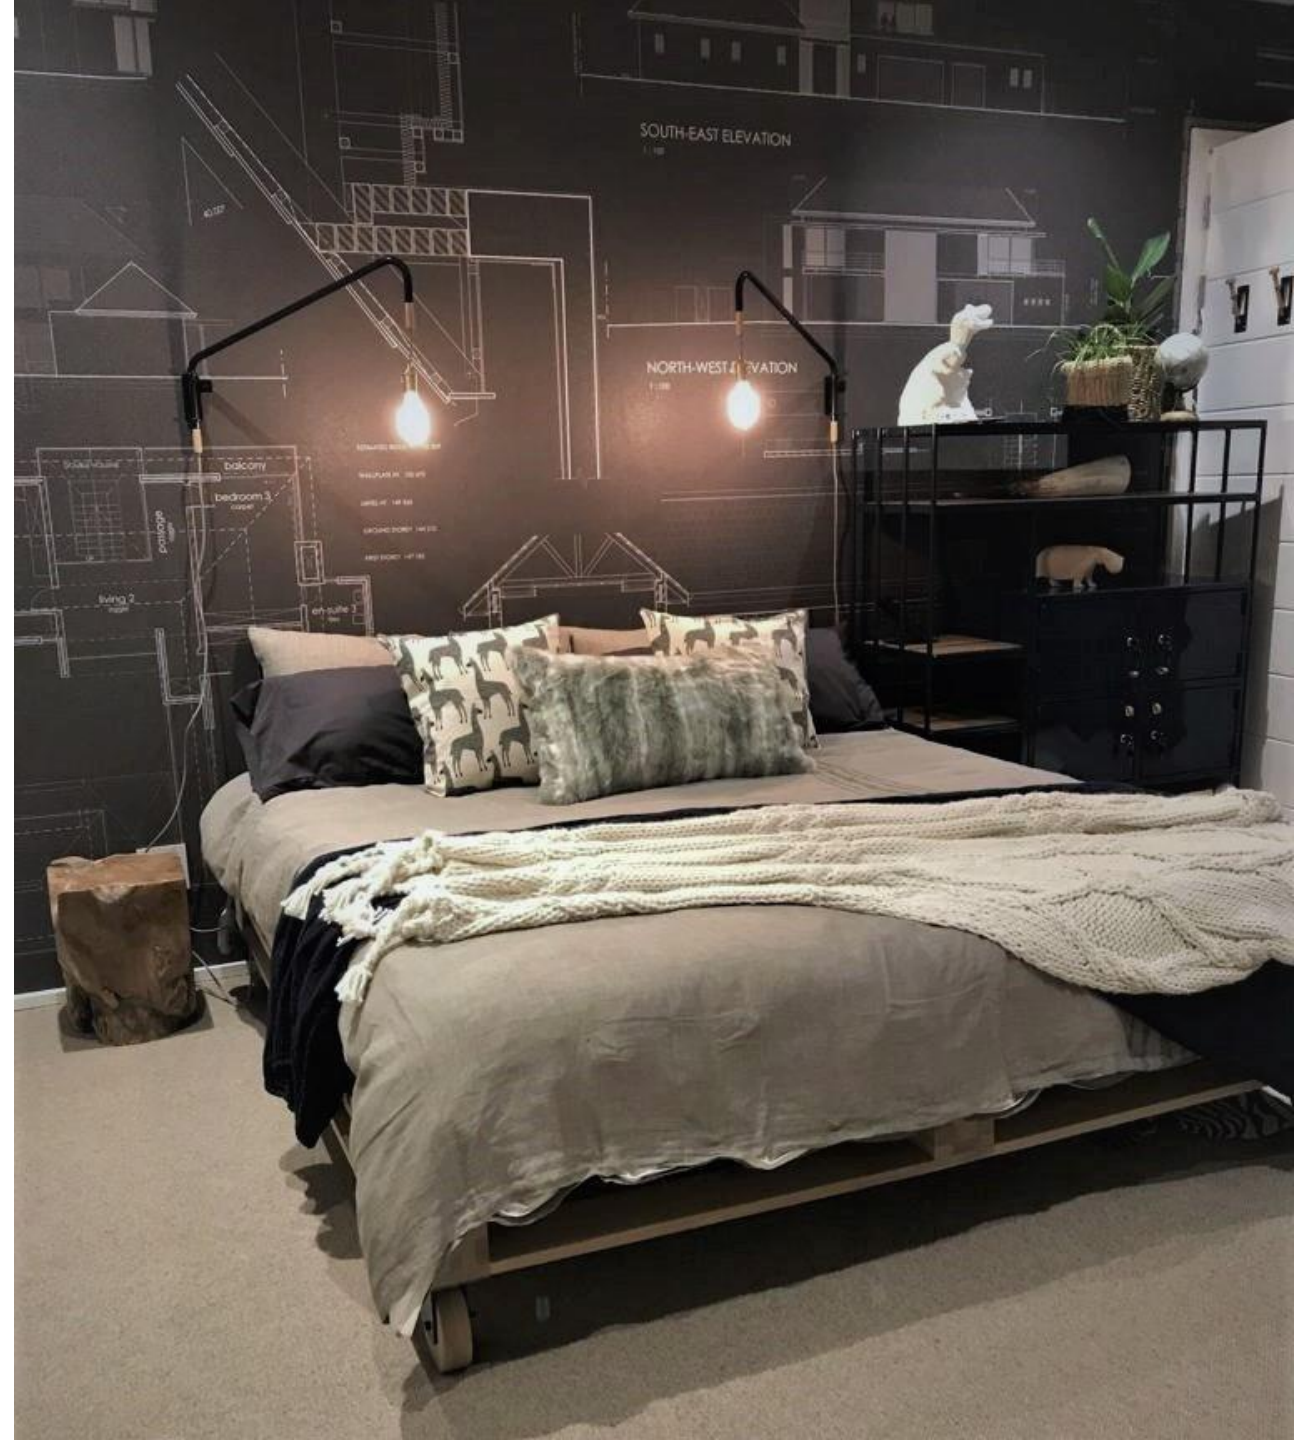

Wallpaper

Make any room feel spacious with a wall mural or add texture with a grass cloth wallpaper.

We offer a wide variety of options and can have your dream wallpaper custom designed and printed.

Furniture

Sourcing from a wide range of furniture suppliers, we offer our clients something in every style and budget.

From ready made to custom made items.
