

Duette® Shades

Filtering light and insulating your home all year round

Luxaflex®

Duette® Shades

Energy saving style

Did you know that as much as 50% of a home's heating and cooling energy can be lost through its windows? That's why we designed Luxaflex® Duette® Shades to help keep your home cool in the summer and warm in the winter. Our latest innovation - Duette® Architella® Shades have a unique cell-in-cell design with three air pockets that offer excellent insulation for your home all year round, making your home more energy efficient and your windows more beautiful.

Our new Duette® Shades collection has a wide range of beautiful fabrics in playful patterns and colours like our new Batiste Crushing design that creates a perfect focal point for a room. Or choose a subtle texture and natural look with our new Bamboo design that blends with any decor style.

Whatever your style, our variety of fabric designs help to control light beautifully with a choice of transparency and privacy options to suit every individual room in your home. Plus, the compact design of Duette® Shades can fit almost every type of window and shape from the smallest window to large glass sliding doors.
