Gentle ambient light with exclusive style

Luxaflex®

Silhouette® Shades

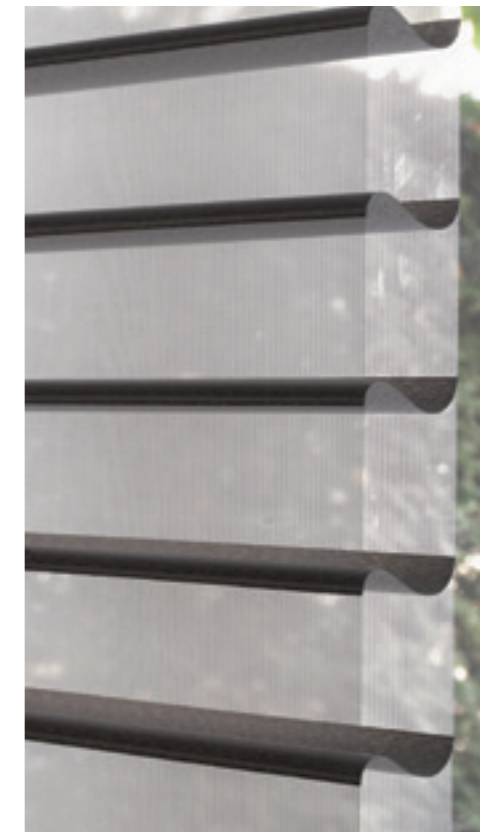

Unique light control

Superbly stylish Silhouette® Shades take the harshest sunlight and transforms it into beautiful ambient natural light. Simply tilt the vanes to enjoy more natural daylight by diffusing and spreading it evenly throughout the room whilst filtering out brightness, glare and UV rays.

The Silhouette® Shades give you ultimate privacy with a view to the outside when open during the day. When completely closed in the evenings, you can enjoy your privacy.

“It’s great
having a
view and
my **privacy**”
