

The background of the image is a vibrant red color, densely covered with numerous small, clear water droplets of varying sizes. The droplets are scattered across the entire surface, creating a textured, glistening effect. In the center of the image, the word "EVOX" is written in a bold, white, sans-serif font. The letter "X" is stylized with a diagonal slash through it. A registered trademark symbol (®) is positioned to the upper right of the "X".
