Company Profile

“Our mission statement is to make big business of small business, therefore we treat even the smallest request with all the importance and care that we would a major order.

We value and try to understand our customer's needs and are not satisfied until they are.”

Theresa van Wyk

Owner & Founder

Smart Art Product Range

Ready-to-Hang Canvas

- Canvas prints are one of the best ways to save and share your favorite memories;
- We offer custom canvas printing in a variety of sizes exactly to your specifications;
- Our photographic prints are mounted onto 50mm wood frames and are printed on the highest quality Picasso canvas.

Custom Wallpaper

- Our digital experts will advise clients on all areas of digital print from concept to completion of any product, whether it's a single -colour wallpaper or a national print requiring multiple-destination delivery in South Africa or abroad;
- Our Wallpaper application can be used in retail, office and home environments;
- Think it, we'll print it!

Floor Graphic

- Our Floor Graphic application can be used in retail, office and home environments;
- Print a single image across entire floor space or use a repeat pattern;
- Floor Graphics are suitable for indoor use;
- Scratch resistant and waterproof, our Grey back vinyl is laminated with a thick clear lamination to protect your print from long term wear and tear.

3D Boards

- 100 % recycled, compostable and eco friendly;
- Paint them any color you'd prefer, or we'll happily do so for you with our full installation option;
- Delivered to your door within 14 days anywhere in South Africa.

Window Branding

- Frosted cut out;
- Frosted printed;
- Vinyl cut out;
- Vinyl printed;
- Don't have a design, use our inhouse design team.

Textile Printing

- Our range of fabrics includes various natural and synthetic materials;
- All fabric is supplied by the meter according to the fabric width of your chosen material;
- We supply both Digital and Rotary Textile Printing World Wide.

Text frame

- **NON-ILLUMINATED** Matrix Frame is already a well-established fabric framing system that can be seen across Europe and in the USA;
- The framing system can be found in most major fashion retail environments, car showrooms and supermarkets. It is also used extensively by major exhibition companies;
- Easy to change, easy to clean, the perfect solution for the everchanging service industry.

- Digitally printed onto Banner weave;
- Chonk fabric stretched system;
- Lightweight;
- Portable;
- Easy to assemble;
- Custom sizes available.

Exhibition Stands

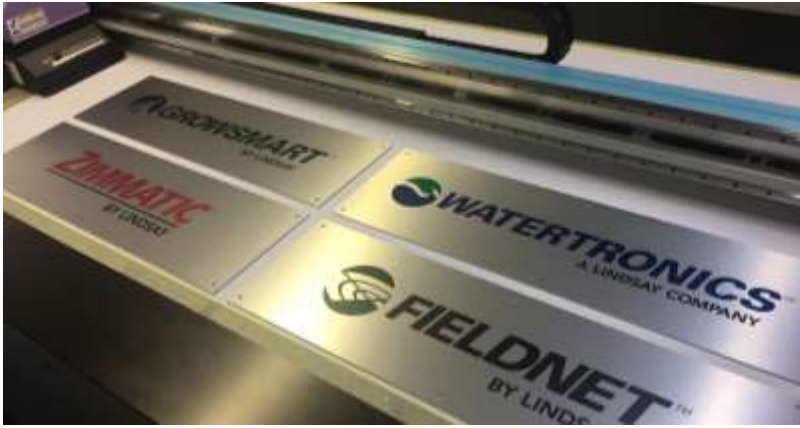

In the commuter society we live in, outdoor branding has the power to reach more consumers than newspapers or television.

In a driving country like South Africa, vehicle branding becomes moving outdoor advertising.

Moving media takes your brand to market using your very own vehicles.
