AUTHENTICO

Authentico is a synonym for cosy and comfortable furniture. A dining table to keep forever, a basic book shelf to use as a room divider or some cubes to arrange in bulk or single – all of them are favourite pieces to share a modern home with. Be it a dinner with friends, a board game with kids, a date night with loved ones.

BROOKLYN WALNUT

Brooklyn Walnut is for the lovers of a furniture series made of solid wood, and with a mid-century touch and a dark finish. A furniture collection to keep forever, with the harmonic structure of solid sheesham wood, surfaces smooth to the touch, and mildly rounded edges to complete the look of a delicate, yet sturdy piece of furniture. Also in a light wood version available (see Brooklyn Nature collection)

NATURE LINE

A stylish furniture series in a mix of materials – Naturally modern! The Nature Line has a waxed top made of solid acacia wood. The wood has retained its natural look, making each table unique. The contrast between the iron frame and the organically shaped acacia wood top is what gives this exquisite table its special charm. Each item is unique.

PURE NATURE

A clean and natural series without excessive ornamentation. Pure Nature makes an impact with its honest and clean-lined character, together with a stunning combination of natural and modern shape. The table top consists of solid acacia wood and rests on a frame of lacquered steel.

BLACK NATURE

Food tastes better in beautiful surroundings! And our Black Nature series definitely provides the right basis for this. Black Nature is a real natural beauty with a clean-lined character with natural and modern shape. The table top consists of solid acacia wood and is available with a light or dark surface.

MODERN NATURE

The best of different worlds – softly shaped glass
bodies, combined with drawers made from recycled
teak wood, provide for high stability as well
as a lightweight look.
