Introducing  
Queen's Prime

## A MAJESTIC LEGACY

The Queen's range of bathroom solutions from Jaquar epitomises royal characteristics. From the time this distinctive range was born in our design centre, in 1993, it was destined to rule. Winning hearts in the faucets category across India, this hugely popular range from Jaquar has been the unanimous choice of those who sought a royal aura for their opulent bath spaces.

*R*EGAL ELEGANCE FOR  
A NEW ERA

Designed to evoke the regal elegance of the Victorian era, the original form of the Queen's range has now been updated for the modern era with graceful lines and a sleek, slender, updated silhouette.

Queen's is now  
Queen's Prime
