**K. LIGHT®**

K. Light fittings must be installed and connected by a licensed electrical contractor, registered with the South African Department of Labour.

There are screws, plugs / bolts and nuts included for the installation of the light fitting. However, depending on the composition of the surface onto which the light fitting is being installed, these screws and plugs / bolts and nuts may not be appropriate. In such case, it is your responsibility to ensure that the correct screws, plugs / bolts and nuts are used for installation.

All our fittings exclude bulbs, unless otherwise stated.

K. Light reserves the right to discontinue, replace or modify products without prior notice. Due to the nature of the printing process colours are an indication only and may vary from the actual product.
