COMPLETE SHOPFITTING SOLUTIONS

In our fully stocked showroom in Cape Town and warehouse in Atlantis, you'll find a comprehensive range of perimeter display solutions on offer right off the shelf, along with peripheral merchandising products such as mannequins, 4 way rails, speed rails, Perspex fixturing, and much more. What we don't have, we can usually get!

Whether you're building your first store, are an established retailer in the market for a store revamp, opening up a Pop-Up shop, looking for an exhibition or Mall campaign solution to launch your product, Shopfitting Depot has a product for you. Feel free to browse our online shop or come into our showroom and meet our team of professionals.

SHOPFITTINGDEPOT

Complete Shopfitting Solutions

About Us

With collectively over 40 years of experience in the industry, we're in a unique position to offer you a shopfitting solution that is tailored to your needs, with the possibility to assist in creating custom pieces for whatever you might need.

Shopfitting Depot strives to fill a gap in the market between retail fixture manufactures and customers looking to buy fixtures and retail related items. We understand that it can be difficult trying to source the right fixtures for your store, Pop-up Shop, Shop-in-Shop or Exhibition space.
