GREEN WALLS & DISPLAYS

Distinctive Silks has a comprehensive range of stunning green walls and displays for vertical walls that take up less space.

INSTAGREEN

Instagreen is an instant greening solution that can instantly beautify any space.

It's UV protection makes it suitable for indoors or outdoors with almost zero maintenance needed. Our design team are experts at installing the most modern and visually stunning wall coverage options, hedges and topiaries of all sizes. Also available for DIY projects.

BENEFITS:

- Masks unsightly walls
- Privacy screening
- Noise reduction
- Maintenance-free
- All weather resistant
- Quick and easy installation
- No need to wait for growth

APPLICATIONS

GREEN WALLS

Green walls are a hugely popular trend and can transform any fence or wall for a modern, beautified appearance with added privacy if needed.

HEDGES

A completely customizable and hardy solution for maintenance-free hedges.

TOPIARIES

Available in all shapes and sizes.

INSTAGREEN

PRIVACY SCREENING

If you're tired of nosy neighbours being able to peek into your property, extend your wall or block off an area with beautiful instant greenery.
