└ The AnnaM - Our Flagship table could be the missing ingredient to complete your elegant dining room area, or it can complement your office space as either a office desk or conference room table. It sure is a conversation started, a powerful aesthetic of restrained elegance. Materials: solid wood top with mild steel legs. Finish: high quality wood oil and powder coated steel frame.

AnnaM

2_ This lamp was inspired by the Sputnik satellite. It is made mostly out of mild steel, besides the lamp shade which is aluminum and has been hand rolled to its specific shape. The entire lamp is powder coated to your desired colour of copper, silver, textured black or white.
