

Hello beautiful!

Smart task-oriented performer
that pushes the design envelope.

chairclub

PART CHAIR. ALL HUMAN.

ARCT.01

Feel good by looking good

Arc is a high-design, high-performance task chair that ensures complete comfort, hour after hour. Ergonomics and comfort include full adjustability, sliding seat, flexible lumbar support and our acclaimed syncro mechanism that moves seat and back in, well, synchro.

Full sync mechanism 5 locks

Arc's synchronous mechanism (synchro tilt) maintains your ideal back/seat angle when you change the tilt of your chair. The back moves more than the seat so you continue to sit comfortably.

Options

5 star base
Polypropylene
Cast aluminium

Material
Upholstery back

Upholstery colours

Any colour - you choose - have fun!

Work smarter by pushing the design envelope

Arc is for people who understand that form can drive function and that smart design is not a luxury in the office space. Everything about Arc has been created with tireless top performance in mind. As a smart worker you'll get a kick from the details that surprise, delight and put a big smile on your face. *Enjoy.*

Arc range

Arc is available with a patterned backrest and a wide selection of upholstery finishes. It is also available as a high-back or a mid-back operator chair.

Happiness by design

The happier you are the more beautiful you become

It's time to lighten up a bit. No, check that, to lighten up a lot. Banish ugly and uncomfortable office chairs to the scrapheap of history. To replace them with beauty, comfort, brightness and joy. So we invented ChairClub: Boom! Beautiful chairs and big smiles.

German quality and style

We asked award-winning German designer Stefan Brodbeck to create office chairs that would throw out the office-chair rulebook. Youthful, happy and no-compromises comfortable. He got it.
