

Transit & Focus

Recycled wide width curtaining textures

This collection is the epitome of a curtain makers dream, consisting of two unique designs in 48 colours! These new Eco wide designs have been created using recycled polyester and are produced under strict Oeko-Tex standards ensuring no harmful substances have been used. This is one of the first in a series of eco products that will answer the need from the marketplace for sustainable textile production. This collection celebrates Bru's commitment to a cleaner and healthier world where they actually are walking the walk!

DESIGN DETAILS

Wide width sheer with an open textured slub weave

Focus is an uncomplicated open sheer that has a lovely natural texture and handle that celebrates old world textile textures. Its available in 27 colours, 302cm wide and washable at 60 degrees. It certainly ticks a lot of boxes, but yet it has a subtle understated beauty especially in the neutral shades & greys such as Elephant, Pewter and Silver. This sheer truly comes alive in the rich enticing greens and aquas of Forest, Linden, Storm and Surf.

DESIGN DETAILS

Wide width soft textured drapery, semi-sheer

They say beauty is in the eye of the beholder, and this exquisite drapery will beguile your clients and in turn their clients once they are drawn in to its undeniable charm. Available in 21 colours, Transit is at the fabulous width of 306cm and can be washed at 60 degrees. When you hold this up to the light the woven texture comes alive and creates wonderful patterns that let enough light in to brighten a room but keep things very private.
