“ Aesthetics and functionality, design and originality, together with attention to detail, represent the distinguishing features of Newform quality and research. ”

Newform Warranty

We thank you for choosing an original **Newform** product, an exclusive design made with extremely advanced technology. Now you own a quality product which only a large Company with a long lasting experience such as **Newform** is able to offer you.

Each **Newform** model is born after careful study, research and experiments in order to obtain the maximum aesthetic balance and the best ergonomic and comfort conditions. It is **Newform's** prerogative to guarantee continuous high quality and prolonged durability and this is the reason why this product has been properly made and rigorously checked.

Newform S.p.A. guarantees the mechanical part of the product on the reference for a **60 month**-old period and the electric part for a **24 month**-old period from the date of purchase. In case of necessity, please present this certificate duly compiled to the retailer together with the PRODUCT and THE BILL or PURCHASING RECEIPT.

During the WARRANTY period items or details will be replaced free of charge against defects imputable to Newform S.p.A.. No person is authorized to modify the terms of this warranty or to issue other oral or written guarantees.

THE COMPANY WILL NOT BE LIABLE due to:

- failure to produce invoice details proving date of purchase;
- damages due to carelessness or during transport;
- should the installation not conform with fitting instructions;
- unauthorised modifications or repairs;
- surface deterioration due to cleaning methods not in accordance with instructions.

The Company shall accept no responsibility for compensation towards assembly or disassembly of the fitting and shall not be liable for consequential loss or damage of any kind whatsoever to or in any way caused by the goods or their use.

“ Research is the heart of the company's great success: design as product basis, the most refined materials and environmental-friendly technology create a unique, quality, popular and concrete product. ”
