introduction

The Manna Design Studio company name and story are a testimony of God's goodness, grace, provision, purpose and sovereignty.

a brief history

Manna Design Studio's was established in 2017 by a husband and wife duo, both graduates of architecture and interior architecture. The company portfolio includes an extensive body of work, ranging from bespoke designs to interior architecture solutions, fixtures, fittings, lighting, artwork, NFT's, furniture pieces, homeware, utilities and more.

Each piece from the product collection has been designed with careful consideration and is available to order in both digital and physical form. Manna is dedicated to creating products that are simple, functional, durable, accessible, and timeless, to enable meaningful living through good design.

our mission

to love God

to love one another

to do good work

and make the world a beautiful place

through good design

by using our hands, minds, hearts,

talents and opportunities.

“Whatever you do, do all to the glory of God.”

1 Corinthians 10:31 NKJV
