# Zone Denmark

Design for everyday life

Zone Denmark is a Danish company that produces functional, thought-through and high quality design home accessories and kitchen utensils for everyday use.

Zone Denmark makes a statement that leaves you in no doubt.

They interpret evolving trends to create efficient design for everyone, at an affordable price. Expressed in a soft and minimalistic language, the designs embrace new ideas, innovative solutions and exquisite materials.

Their purpose is to challenge convention, inspire curiosity and create beauty.

The products are developed in collaboration with experienced and talented Danish designers, who connect the Scandinavian design tradition with modern elements. With a focus on transforming everyday utensils and tools into stylish accessories with the use of clean lines, modern design and being of high quality, this range will add a touch of style to any room they're in.

**E&OE:**

To the best of Victorian Bathrooms' knowledge, the information contained in this document is correct.

# Bathroom Accessories

With clean lines and harmonious curves, this range impresses with its timeless plain appearance. Available in white, grey, black and rose and made from stoneware with a soft touch finish.

## Soap dish

Please note that the white soap dish is slightly larger than the grey and black and has a straight pattern on the top of the dish. The grey and black dishes have a circular pattern on the top. These patterns are to allow the water to drain from the soap.
