# Manhattan Basins

The Manhattan basin reflects a style that is urban yet classic with its industrial stand that is softened by the gentle curves of the matte white basin.

## Customization:

These basins are available in many variations – as a single or double basin, with stand or wall-hung, shelf or no shelf, and the stand is available in any of our bespoke finishes.

Typically the basin and shelf are supplied in a matte white finish, however they are available in 8 standard colours or in a custom colour of your choice. Alternatively a marble effect is available too. The colours permeate throughout the product and are not sprayed on the exterior surface.

For standard colours, an additional 30% charge will apply to the basin & shelf (code: colour30).

For a custom colour, an additional 60% charge will apply to the basin & shelf (code: colour60).

For a marble effect, an additional 60% charge will apply to the basin & shelf (code: marble60).
