## DAFNE COLLECTION

Una collezione dal look internazionale che vede come concept principale la continuità tra indoor e outdoor, mettendo in stretta relazione questo binomio e dando così la possibilità di vivere spazi esterni tutto l'anno.

*A collection with an international look that sees the continuity between indoor and outdoor as the main concept, putting this combination in close relationship and giving the opportunity to experience outdoor spaces all year round.*

*“Contrapposizioni di design create tra la struttura rigida e regolare in metallo color Bronzo e la cuscineria di seduta e schienale che rendono la collezione protagonista all'interno di ogni singolo ambiente.”*

## MEMPHIS COLLECTION

Continuità estetica e stilistica tra in e out, disegnando veri e propri living all'aperto senza confini apparenti, interpretandoli con personalità, eleganza e stile internazionale.

MEMPHIS è stata progettata per arredare spazi outdoor dalla forte personalità che rappresentano un invito al relax e alla convivialità.

Volumi di forme e dimensioni diverse abbinabili tra loro ricreano vere e proprie isole di comfort.

*Aesthetic and stylistic continuity between in and out, designing actual outdoor living areas without apparent boundaries and interpreting them with personality, elegance and international style.*

*MEMPHIS was designed to furnish outdoor spaces with strong personalities that stand for an invitation to relaxation and conviviality.*

*Volumes of different shapes and sizes, that can be combined with each other, recreate real islands of comfort.*

## MARINA COLLECTION

La collezione MARINA e' stata pensata con intrecci fatti a mano in fibra sintetica e struttura in metallo verniciato a polvere. Divano da esterno componibile, sfoderabile quasi a volersi cambiare e fondersi nell'ambiente stesso. Gli intrecci dai toni caldi e incisi vengono alleggeriti dai piccoli vuoti che creano tra loro un gioco di luce, ombra e aria.

*The MARINA collection has been designed with woven synthetic fibers and structure in powder coated metal. Outdoor modular sofa with a removable cover as a desire to change and blend into the same environment. The weaves in warm and engraved tones are lightened by small gaps that creates among them a play of light, shadow and air.*

## INFINITY COLLECTION

Linee essenziali e contemporanee, volumi compatti, eleganza, leggerezza ed ergonomia delle strutture sono le caratteristiche che rendono la collezione INFINITY protagonista sia di ampi living open-air che di terrazze di dimensioni più contenute. Collocate una accanto all'altra, creano soluzioni modulari e flessibili rispondendo alle più ampie esigenze. La collezione dialoga in perfetta armonia con l'ampia gamma di elementi d'arredo e complementi dell'outdoor Collection.

*Essential and contemporary shapes, compact volumes, elegance, lightness and ergonomics of the structures are the characteristics that make the INFINITY collection the protagonist of both large open-air living areas and smaller terraces. The pieces, placed next to each other, create modular and flexible solutions responding to the widest needs. The collection is in perfect harmony with the wide range of furnishing elements and accessories of the Outdoor Collection.*

## MIKADO COLLECTION

Collezione di tavoli con base metallo verniciato bronzo con diverse dimensioni dei top.

Al di fuori degli stilemi abituali, con un'immagine accattivante ma allo stesso tempo minimale, libero da schemi e dall'omologazione formale, un modo semplice di interpretare un prodotto di design, adatto a qualsiasi stile d'arredo.

E' sicuramente un tavolo all'insegna del virtuosismo artigianale miscelato con le tecnologie industriali, concetti importanti che danno un valore aggiunto a questo prodotto. La base è formata da elementi in tubolare in ferro che si intersecano tra loro creando un supporto solido e stabile.

*A collection of tables with bronze painted metal bases and different top sizes, that differs from the usual style, with an attractive yet minimal shape, free from schemes and from homologation, a simple way of interpreting a design product, suitable for every furnishing style.*

*The Mikado table is certainly a mix between artisan virtuosity and industrial technology, important concepts that give added value to this product. The base is made of tubular iron elements that cross each other creating a solid and stable support.*

I tessuti sono versatili tanto all'interno quanto all'esterno. Tessuti composti al 100% da fibre acriliche tinte in soluzione per garantire una pigmentazione stabile ai raggi UV e sono rifiniti con un trattamento protettivo anti-macchia. Affascinanti, facili da lavare e durevoli. Tinte di alta qualità durante il processo di fabbricazione. Durata assicurata, progettati per resistere a funghi e muffe e sono dotati di garanzia contro sbiadimento e deterioramento. Il trattamento finale applicato su tutti i tessuti è idrorepellente ed evita il radicamento di sporco, rendendo semplice mantenere i tessuti puliti. Manutenzione estremamente semplice.

*Fabrics are versatile both indoors and outdoors, made of 100% acrylic fibers dyed in solution to ensure a stable pigmentation to UV rays and finished with a protective anti-stain treatment. Fascinating, easy to wash and durable.*

*We use high quality colors during the manufacturing process. Insured durability, designed to resist fungus and mold and guaranteed against fading and deterioration. The final treatment applied on all fabrics is water-repellent and prevents the accumulation of dirt, making that easy to clean.*

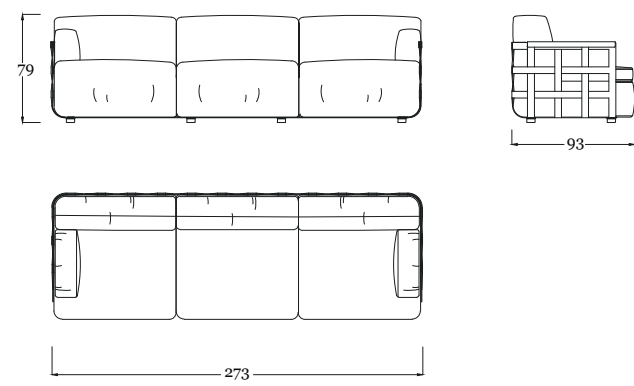

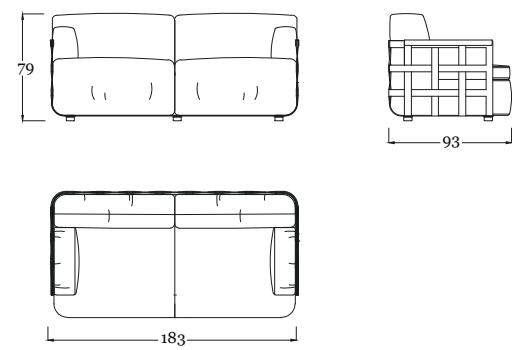

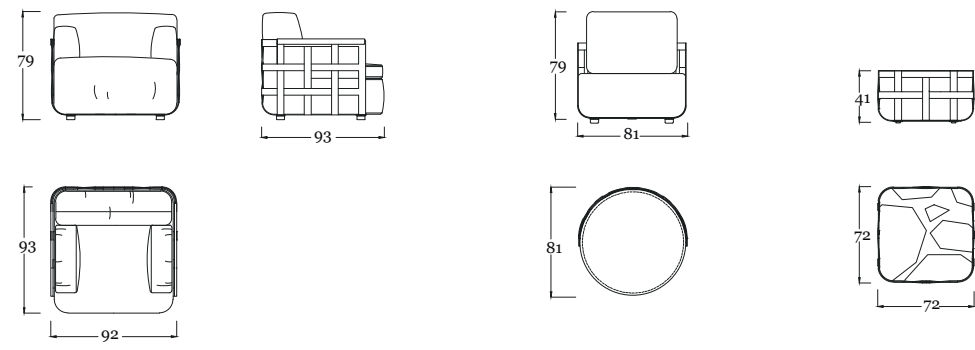

*In three words: extremely simple maintenance.*

Per migliorare la durabilità dei prodotti sarebbe utile adottare dei semplici accorgimenti come l'utilizzo di una speciale Rain Cover realizzata in tessuto impermeabile. Realizzata con uno speciale tessuto 100% poliestere usato anche in campo navale, la Rain Cover è dotata di coulisse che consente di bloccarla alla base degli elementi da coprire, per evitare anche che il vento la sollevi.

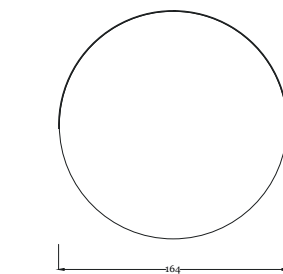

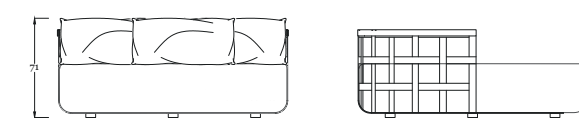

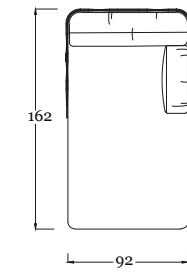

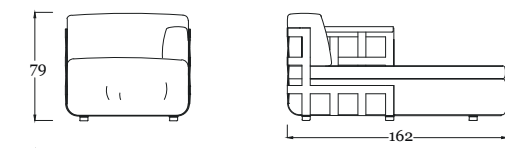

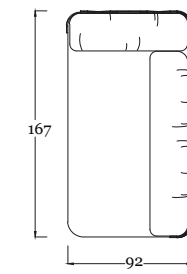

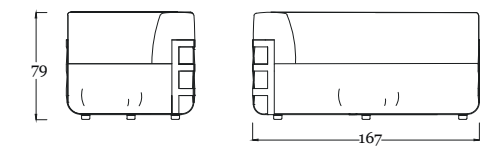

*To improve the durability of the products it would be useful to adopt simple measures such as the use of a special Rain Cover made of waterproof fabric. Made with a special 100% polyester fabric, used in the naval field as well, the Rain Cover is equipped with a drawstring that allows you to secure it at the base of the products to be covered, to prevent the wind from lifting it up.*
