## 3D RENDERING & SPACE PLANNING

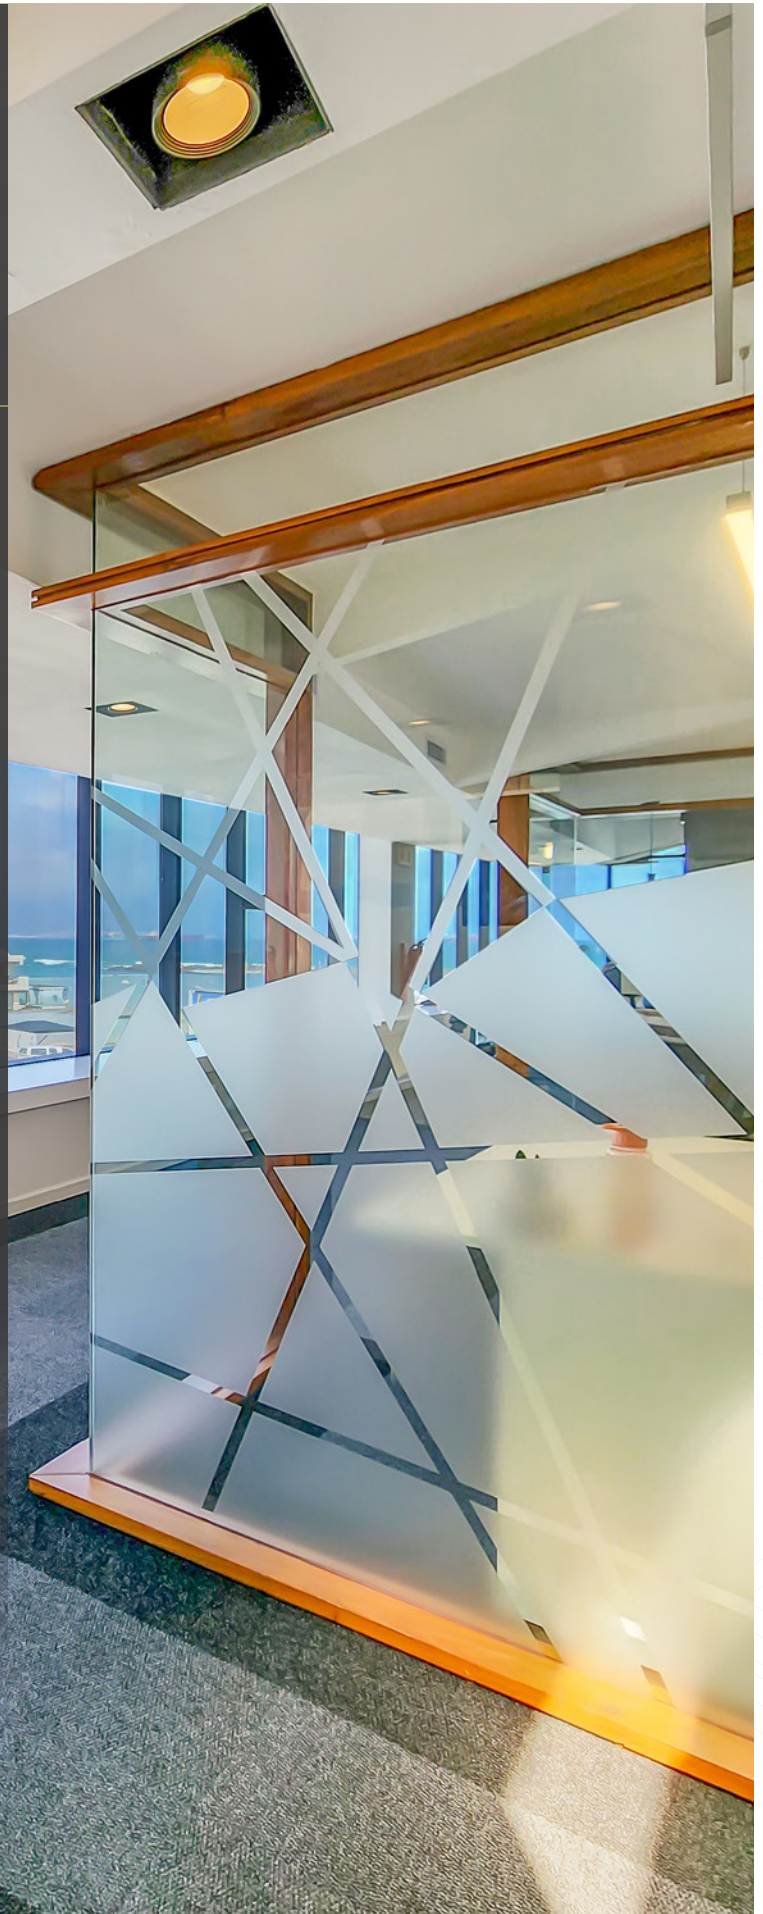

# About First Gate

First Gate is a Cape Town-based interior fitting contractor that specialises in corporate, commercial office fit-outs and renovations.

We pride ourselves in being an all-in-one solution that makes setting up a new business or office stress-free. We strive to achieve a healthy balance of what is needed to create spaces that are unique and trending whilst rethinking workspace design. We specialise in incorporating various space planning and interior design concepts that increase worker productivity within the workspace.

In addition, we offer architectural consultancy with our resident architect (15+ years of experience) and occupancy certification services.

# 3D Rendering & Space Planning

*Unlock the door to your vision.*

Contact First Gate today and let us transform your space into a bespoke experience that exceeds your imagination.

Visualisation is a powerful tool in the world of interior design, and at First Gate, we harness this potential through our cutting-edge 3D rendering services. Our skilled team utilises advanced software and techniques to bring your design concepts to life in stunning detail.

Through photorealistic renderings, you can explore and evaluate your space before any physical changes are made.

## Photorealistic 3D Rendering

With 3D rendering, you gain a realistic perspective of the outcome, allowing you to make informed decisions and fine-tune every aspect of the design.

At First Gate, our mission is to provide unparalleled interior design services that elevate your space and inspire your productivity. We take pride in our ability to blend innovation and functionality, creating bespoke experiences.

# Why Should You Choose Us?

## We bring your vision to life

3D Renders allow for visual clarity, this visual clarity empowers you to visualise the result, ensuring that it aligns perfectly with your vision.

Whether you're looking to revamp your home, office, or commercial space, our immersive renderings provide a clear understanding of the aesthetics, materials, and spatial dynamics. This visual clarity empowers you to visualise the result, ensuring that it aligns perfectly with your vision.

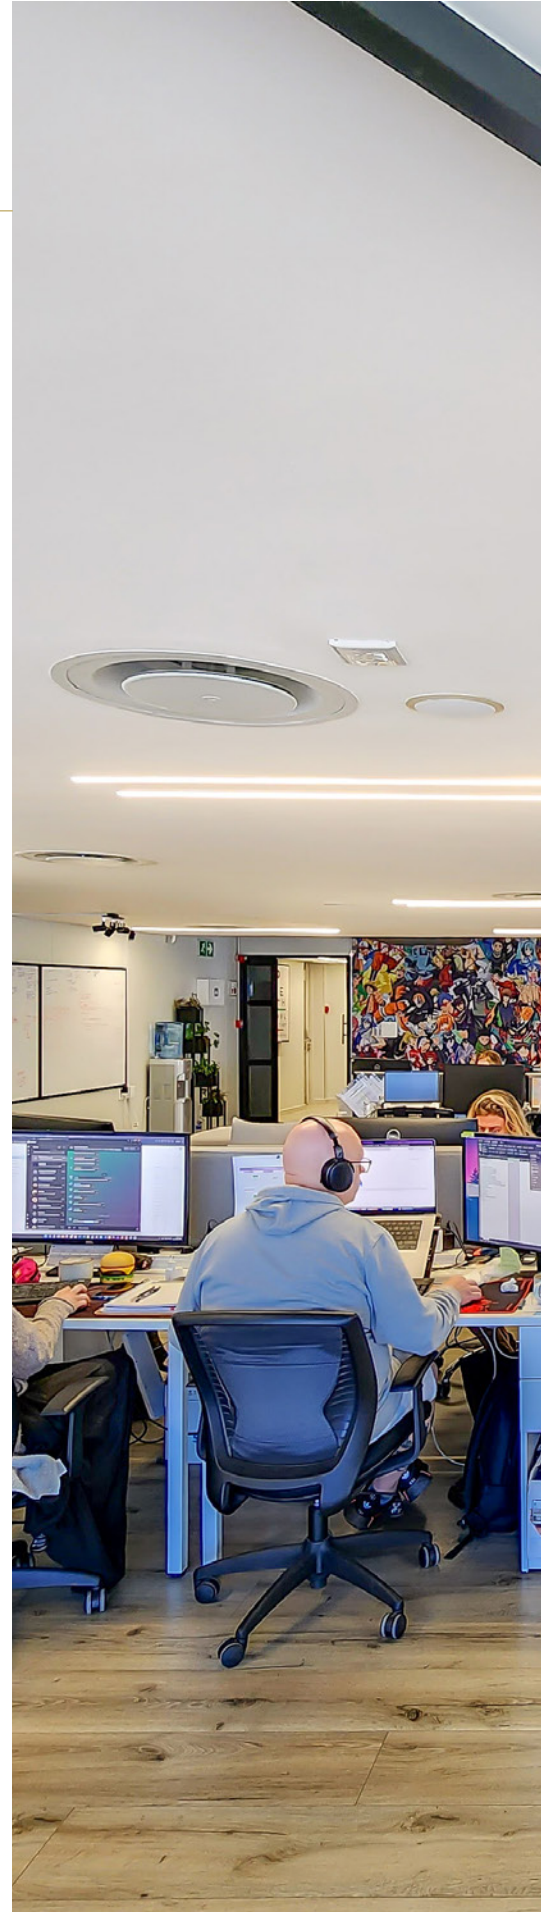

## Our Services

We understand the importance of conveying the right ambiance, textures, and lighting, allowing clients to experience their spaces before they are even built. Our commitment to delivering high-quality and photorealistic 3D rendering empowers architects and designers to effectively communicate their ideas, engage clients, and make informed decisions throughout the design process.
