At Wakefield Fine Furniture, we understand that your furniture reflects your lifestyle and personality. We believe that every item must be produced using the finest quality materials as well as maintaining great design and value. This is why we introduced The Wakefield Baby Collection.

WakeCo and Wakefield Fine Furniture are Founded and run by Shana Wakefield. I am fiercely passionate about the leather manufacturing industry and I'm always looking for ways to expand my Wakefield Collection. I am actively involved in overseeing the manufacturing process, always ensuring that the end product is of the highest specifications.

Our main objective is to make luxury leather products affordable and accessible for all. Our Homeware is handmade by experienced craftsmen and women alike.
