INTERIOR FABRICS

Atmosphere Collection

NOVEMBER 2024

Endless Summer Elegance

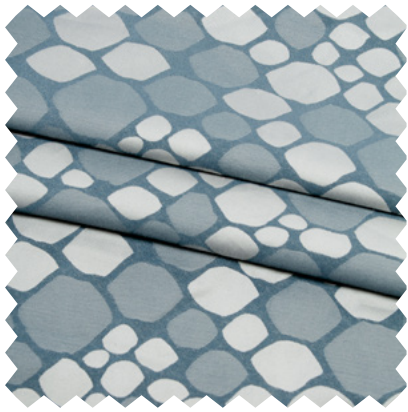

With Atmosphere, your home becomes a canvas for summer dreams. The collection's 16 fabrics, in shades reminiscent of sunlit waves and sandy shores, breathe life into any décor. From chic plains to bold prints, this range caters to every aesthetic. Designed to endure the elements of daily life, it is as practical as it is beautiful. Transform your space with fabrics that invite relaxation and inspire creativity.

Feel the breeze, live the ease with Atmosphere.

Inspired by the depth of the ocean and the romance of summer, Atmosphere offers fabrics as diverse as the sea itself. From soft chenille for cozy corners to lightweight voile for airy curtains, this range delivers on style and function. Whether it is durability for high-traffic areas or a touch of luxury for intimate spaces, these fabrics meet every need with a splash of seaside sophistication.

**Breezy,
beachy &
blue-tifully
for you.**

At Home Palette, we give new life to premium end-of-range fabrics. Instead of letting these treasures sit in storage until damaged, we offer them to you at unbeatable value, ensuring they find loving homes. By choosing our fabrics, you're not just investing in beauty and practicality—you're joining a sustainable journey that transforms waste into wonder. Together, let's create spaces that inspire and endure.
