One of Renthea's greatest projects was being part of the extraordinary **Fusion Boutique Hotel** in **2008**. During **2012** our **Tzaneen** store opened its doors and turned out to be a great success. In **2015**, **Renthea** took a leap of faith and purchased her first property and reconstructed it into her largest flagship store. As of **2018**, our **Tzaneen** store is located in a large, luxurious showroom, which offers our clients a larger selection of products. **By the year 2021**, our elite design store called **Eleganto**, which is our destination store for all interior project planning and custom made products.
