# AT THE HEART OF EVERY SEALY MATTRESS IS EXCLUSIVE POSTUREPEDIC™ TECHNOLOGY

**Exclusive to Sealy, Posturepedic™ Technology draws on 65 years of experience to provide support that's right for you.**

When you are sleeping, different parts of your body need different levels of support. Sealy's exclusive Posturepedic™ Technology targets the heaviest part of your body with zoned support. Providing exceptional, all-over comfort for an uninterrupted night's sleep.

## DISCOVER YOUR PERFECT BALANCE

The word 'Posturepedic' is a contraction of the words "Posture" and "Orthopaedic".

**Posture** = The position of the human anatomy as a whole.

**Pedic** = The medically correct position of skeletal and associated structure of the body.

Sealy Posturepedic™ is the culmination of continuous research and ongoing development of sleep systems, and their interaction with the human body.

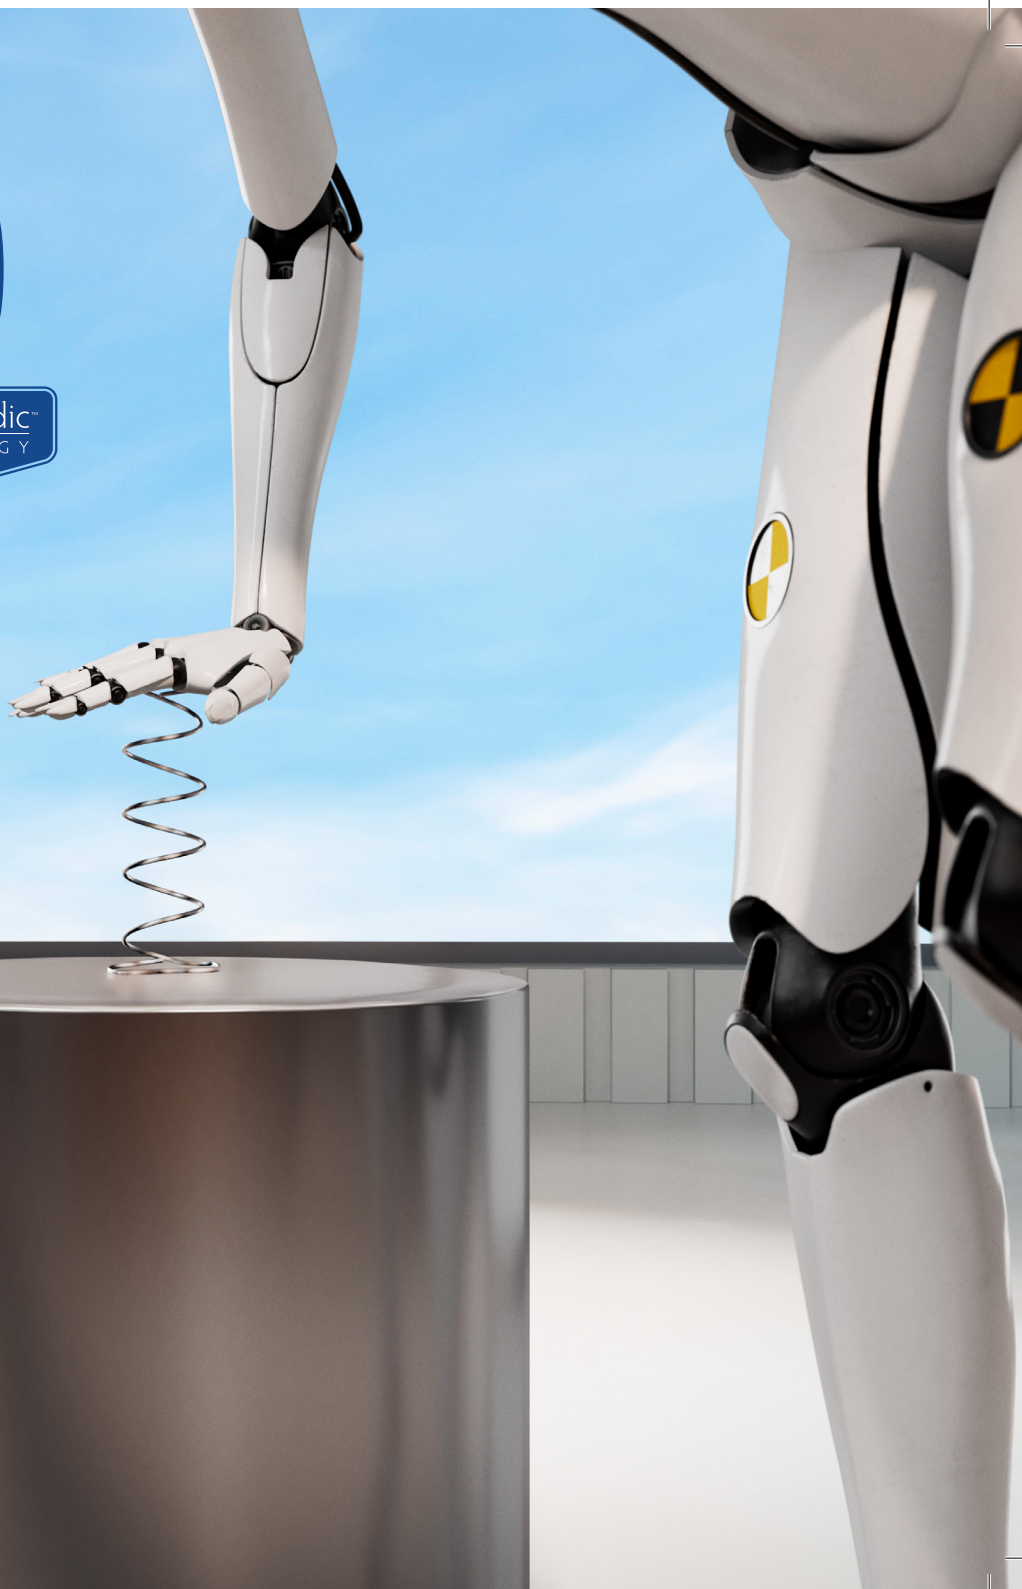

## ORTHOPAEDICALLY CORRECT DESIGN

- The body needs to be correctly supported to allow the muscles to relax.
- Relief of pressure points minimises the body's need to toss and turn during sleep.
- Orthopaedically correct design is the balanced combination of these two elements.

with exclusive

**SEALY**

Where comfort and  
science align.

with exclusive

## WHY POSTUREPEDIC™ TECHNOLOGY

Quality sleep is the **fuel** that powers your day.

The **technology and precision** in every Sealy Posturepedic™, is the driving force behind our passion to deliver the world's most advanced sleep system.

This is the only mattress that delivers genuine **support** that you can feel and delivers the **true comfort** that everyone deserves.

with exclusive

## SMART INNOVATION

Combining ongoing qualified research with the latest advances in materials and engineering, Sealy is renowned for producing beds that promote healthy sleep, great support and lasting luxury. We focus on our patented innovative technology where it matters most and where it can deliver real value.

## ENGINEERED FOR EXCEPTIONAL QUALITY

Inside every Sealy Posturepedic™ mattress is a unique support system that works to maintain the body's natural alignment. Our products are designed to meet orthopaedic standards. We combine technology, and the finest locally sourced materials, to manufacture a superior product built to last and outperform all others.

## DESIGNED AND BUILT IN SOUTH AFRICA

Expertly crafted in state-of-the-art manufacturing facilities and integrating our unique technology with the finest materials, so you can count on the lasting quality that we deliver.

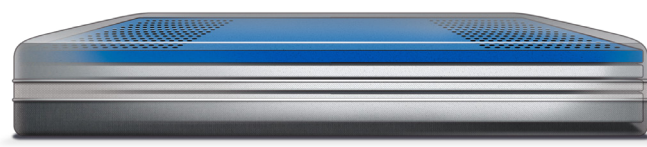

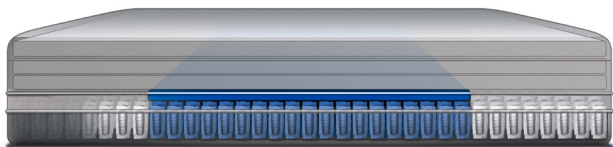

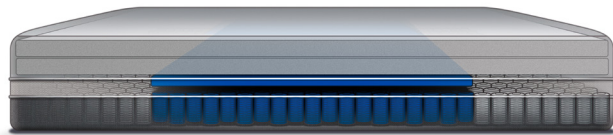

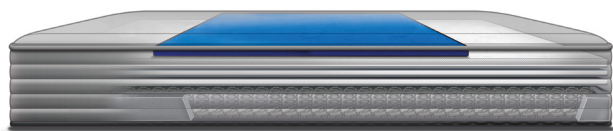

with exclusive

# ZONE SUPPORT IS FEATURED IN EVERY RANGE WITH EXCLUSIVE POSTUREPEDIC™ TECHNOLOGY

Engineered with zones of support, Posturepedic™ Technology pairs state-of-the art engineering with the highest quality materials to target the right level of support for each area of the body, resulting in exceptional all-over comfort.

## ZONE SUPPORT

Only Posturepedic™ Technology's zoned support gives you deep, targeted support and is now available in every Sealy Posturepedic™ Range.

UNDERSTAND THE  
TECHNOLOGY IN EVERY  
SEALY MATTRESS.

## OUR ICONS

Sealy makes it easy for you to find the mattress that's right for you. With the focus on health, comfort, support and innovation, the trusted Sealy brand continues to offer an unparalleled night's rest for every lifestyle and sleep preference - we've designed a set of icons that serve as visual cues to help you understand our various features.

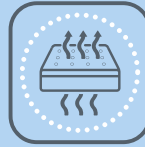

PRESSURE RELIEVING FOAMS	CLIMATE CONTROL
<div></div> <div>Speciality foams adapt to your body helping to relieve pressure points for personalised comfort.</div>	<div></div> <div>Moisture-wicking fabric, wool filling and cool-to-the-touch technologies help promotes a comfortable sleeping environment.</div>

## COOLING TECHNOLOGY

Our Sealy sleep systems feature the latest fabric treatments and speciality foam layers, chosen for their cooling and health-promoting qualities that reduce dust mite allergens and keep your mattress surface clean and fresh, the natural way.

## EARTH FRIENDLY

At Sealy we are committed to supporting healthy life and a healthy planet.

Our beds are made from raw materials that are sustainably sourced, free from harmful chemicals, and contain elements made from recycled products.

# SUPPORT AT THE CORE OF EVERY SEALY.

## OUR SPRING TECHNOLOGY

Inside every Sealy is a unique support system – a network of coils that sense and respond to your body movements while you sleep. This ensures the optimal level of comfort and support while keeping your body in its natural alignment for better rest throughout the night.

<div>DOUBLE OFFSET SPRING SYSTEM</div> <div><p>Works with a hinging action to deliver correct back support with no roll together. # SEALY FOUNDATIONS

## UNDERSTAND THE IMPORTANCE OF THE RIGHT FOUNDATION

A Sealy sleep set allows you to pair your mattress with one of our superior quality foundations.

## SEALY ADJUSTABLE POWER FOUNDATION

Our Sealy Adjustable Power foundation is a functional bedding solution for modern bedrooms that allows you to enjoy the benefits of a bed that can be adjusted for reading, entertainment, improved circulation and recovery. Use the cordless remote control to adjust bed head and foot heights to meet a variety of lifestyle needs - or take advantage of the convenient built-in settings, offering a variety of massage functions and wall hugging design which allows your bed to be positioned directly against the wall.

- Power motor
- Full range of positions for head and foot
- Wireless remote
- Massage
- Programmable custom position
- Pre-set TV and Zero-gravity positions (customizable)
- One touch “flat” button

**SIZES:** Extra length in Single, Queen, King (2 Singles dual adjustable)

**COMPATIBILITY:** Hybrid, Crown Jewel, La Différence

## SEALY REINFORCED SOLID FOUNDATION

Reinforced Solid flat foundations help support mattresses to prevent bowing or sagging. This maximizes comfort and durability - and ensures that consumers fully experience the many benefits of owning a Sealy bed.

- Extra construction materials for reinforcement and stronger support
- Supports the mattress with a solid, flat surface
- Six legs for sturdy support
- Helps to extend mattress durability and comfort
- Designed to coordinate with Sealy mattress aesthetics
- Non-slip gripper fabric to keep your sheets and mattress in place

## SEALY SOLID FOUNDATION

Solid flat foundations support the mattress, maximising comfort and durability.

- Supports the mattress with a solid, flat surface
- Four legs for support
- Helps to extend mattress durability and comfort
- Designed to coordinate with Sealy mattress aesthetics
- Non-slip gripper fabric to keep your sheets and mattress in place

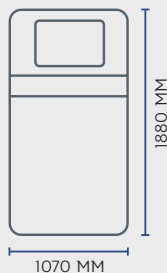

# YOUR BEST FIT FOR A GREAT SLEEP

## SINGLE

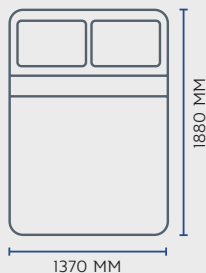

Sealy's single mattresses are a great choice for children of all ages, and even adults. Sealy's Single mattresses are 910mm wide and 1880mm long so they make a great first bed, but still give adults enough room to move around. One person sleeping in a Single bed has as much room as two people in a Double bed. Single beds are also great space savers, with the dimensions of a single bed fitting into any bedroom.

## 3/4

Three-Quarter mattresses have an extra width of 1070mm compared to 910mm for regular Singles, making them a great option for older children, rapidly growing teenagers and taller adults who want more space but don't have room for a Double or Queen size bed. Families are increasingly choosing to invest in Sealy's durable Three-Quarter size mattress right from the beginning to save the hassle of changing beds as children grow.

## DOUBLE

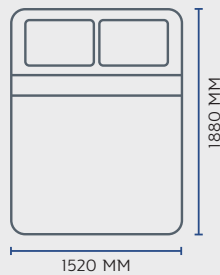

Double mattresses are a versatile option if you're looking for a guest bed. They are also a popular pick for teenagers as many bedrooms will accommodate a Double bed.

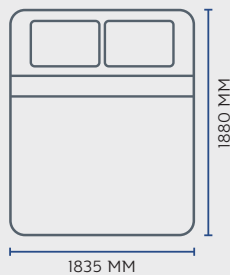

Finding the right mattress is important for getting a good night's sleep. No matter where you are at in your life, Sealy can match you with the right-sized mattress to suit you and your sleep style.

## QUEEN

There's a good reason why Sealy's Queen size mattresses are so popular. They are the perfect size for couples – 1520mm wide and 1880mm long – so you can stretch out and be comfortable, whilst still easily fitting into most bedrooms.

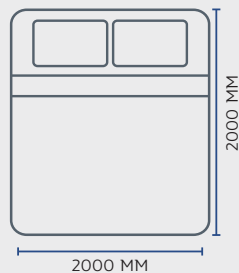

## KING

Sealy's King size mattress dimensions are 1835mm x 2030mm, making it perfect for those who like a little more space.

While it is the same length as a Queen, the King size mattress delivers an extra 30cm in width, which means it's large enough to provide a night of disturbance-free sleep.

## SUPER KING

If you are looking for unrivalled comfort and the ultimate in indulgent space with plenty of room to play with, then the Sealy Super King is the bed for you.

Ideal for larger rooms.

\*All sizes available in extra length (2000mm).

# FIND OUT MORE ABOUT OUR ADDITIONAL RANGES
