Instant **HEDGE**

PRODUCT RANGE

Designed for quick installation, each 50cm x 50cm tile is UV-treated and equipped with interlocking fasteners, allowing for modular assembly and tailored coverage to fit your specific layout

BOXWOOD

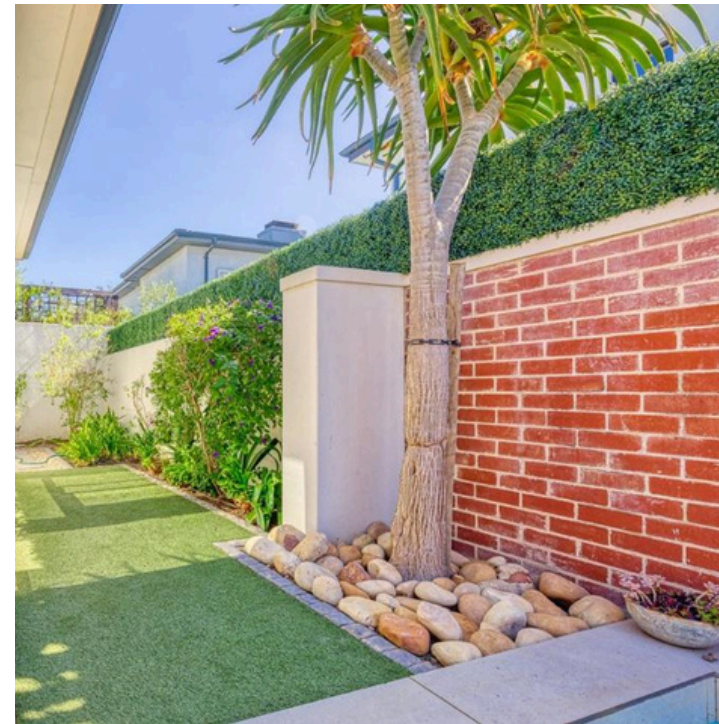

FICUS

TEA LEAF

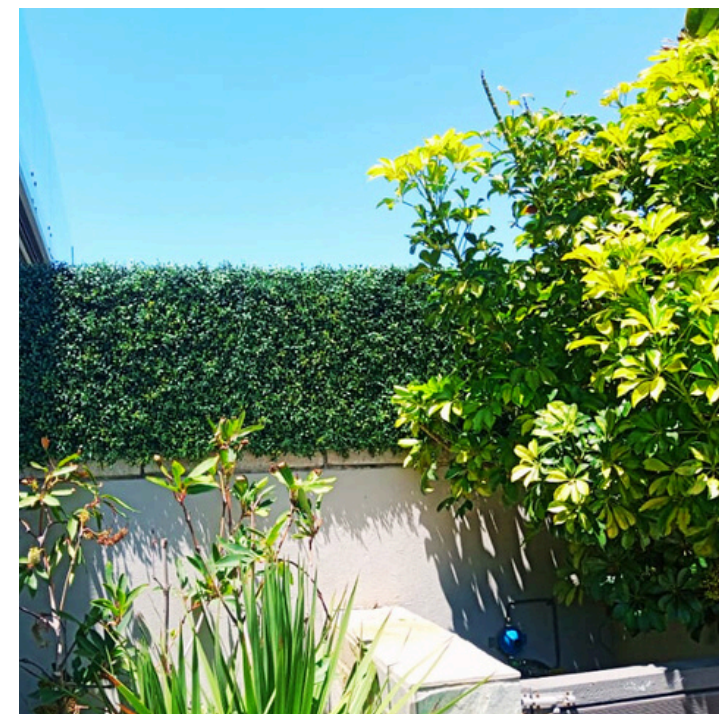

HEDGE BOXES

Custom-designed Instant Hedge Boxes serve as elegant wall extensions for plastered brick surfaces that provide both visual and physical separation. Each Hedge Box features a bespoke rectangular aluminium frame, expertly crafted and wrapped in durable netting, then finished with our signature faux foliage for a lush, natural look.

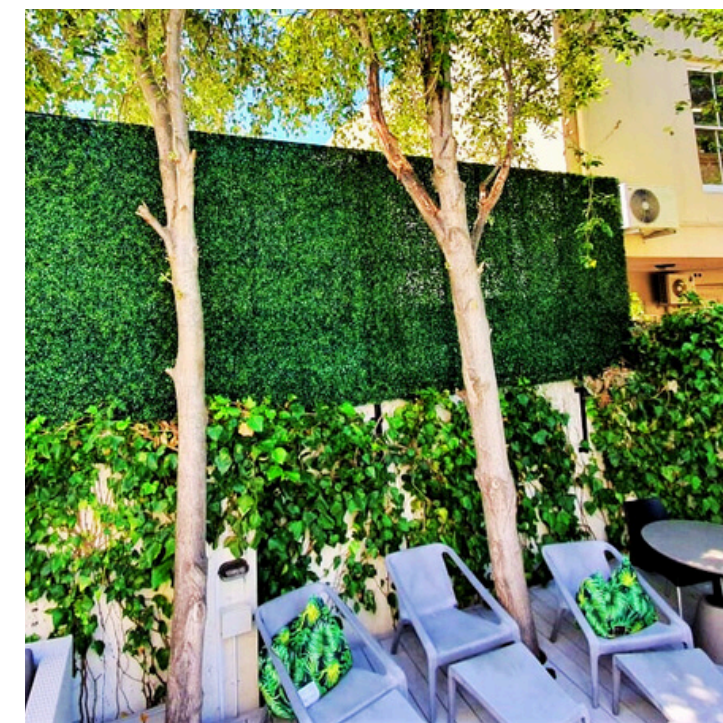

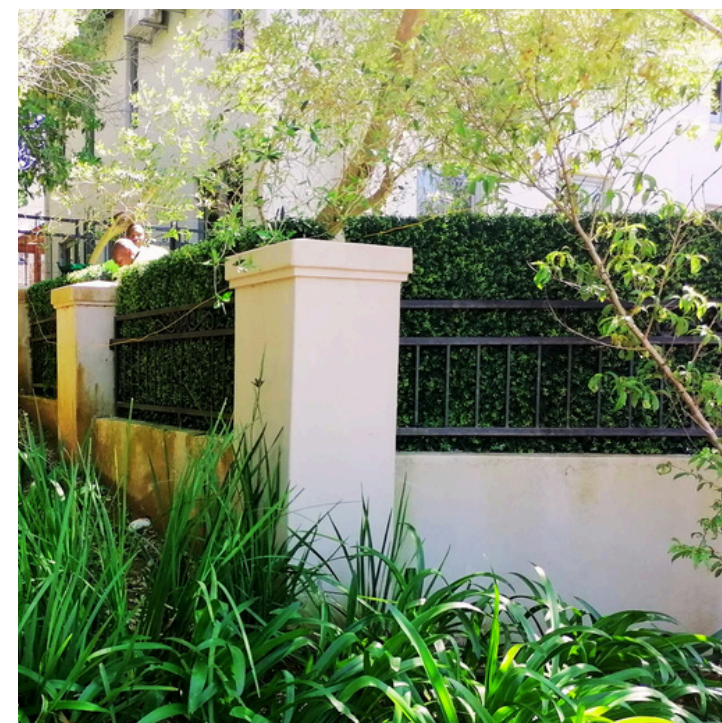

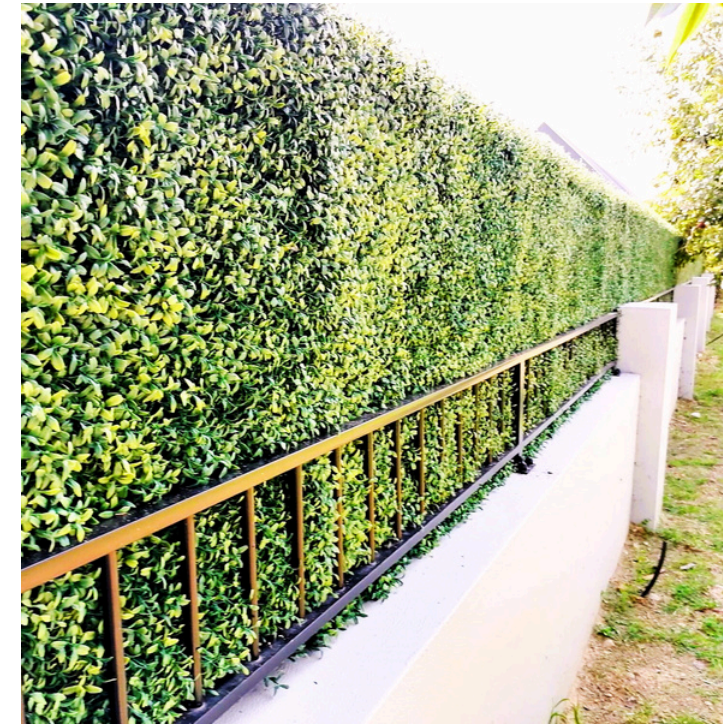

HEDGE BOXES

Custom-designed Instant Hedge Boxes serve as stand-alone installations that provide both visual and physical separation. Each Hedge Box features a bespoke rectangular aluminium frame, expertly crafted and wrapped in durable netting, then finished with our signature faux foliage for a lush, natural look.

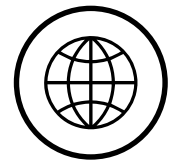

PRIVACY SCREENS

Custom-fabricated Instant Hedge privacy screens are meticulously tailored to meet each client's unique specifications. These sleek, narrow frames are clad in lush foliage on both the front and back, offering a stylish and effective solution for enhancing privacy and elevating outdoor aesthetics.
