

Ticra™

TRUSTED HYGIENE
SOLUTIONS,
ENGINEERED TO
PERFORM.

WHO WE ARE

Founded in 2006, Nuwkem was created with a clear vision: to build a hygiene company rooted in integrity, reliability and quality. From the start, we set out to do business thoughtfully, where relationships matter, standards are never compromised and every solution reflects care and precision.

OUR ROLE IN HYGIENE

As a trusted partner in hygiene solutions, we provide dispensers and consumables that combine intelligent design, durability and consistent performance. Nuwkem products are engineered to meet the demands of busy, professional environments.

OUR COMMITMENT

We believe that quality goes beyond products. It's about creating spaces where people feel confident, comfortable and cared for. Every dispenser and every consumable is crafted to deliver long-term performance, consistent availability and a seamless experience. Our focus on reliability, innovation and people-centric design ensures that your facilities not only meet the highest hygiene standards but also leave a lasting impression.

QUALITY YOU CAN TRUST

From our Ticura™ dispensers to our Rubbermaid range, every product carries the Nuwkem stamp of approval. We stand by our word, delivering solutions that perform as promised, backed by extensive warranties and designed to reduce ongoing costs.

With Nuwkem, you're not just choosing hygiene solutions; you're choosing a brand that leads, innovates and supports the spaces where people live, work and visit.

OUR EXCEPTIONAL RANGES

Designed to endure and crafted with elegance, our hygiene solutions are suited to demanding environments across business, healthcare and hospitality. Available in Ticta™ Pure White, Crescent Silver, Velora Stainless Steel, Graphite Black, Graphite Black Steel, Ember Bronze and Solara Gold (coming soon) finishes, each piece is created to perform reliably while elevating the overall experience.
