PRINRO
"Your Leading & Trusted Partner in Building Supply"

"A Legacy Of Trust. Build For Tomorrow"

30 YEARS

For three decades, Prinro has been the cornerstone of construction across the Cape West Coast, delivering the trusted building materials you need to build with confidence.

As your projects have evolved, so have we. Through our specialized divisions—Prinro Aluminium, Prinro Decking, and Prinro Roof Trusses—we provide top-tier, in-house architectural and structural manufacturing. From premium aluminium installations and precision concrete Rib & Block solutions to engineered roof truss design and manufacturing, we cover your build from foundation to rooftop.

Now, with our new Contractors Distribution Centre in Blackheath, Cape Town, we are bringing that same legacy of excellence to the Mother City and the Cape Winelands. When you build with Prinro, you aren't just a client; you are part of a family of passionate industry professionals dedicated to bringing your vision to life.

30TH ANNIVERSARY

Three decades of dedication, growth, innovation and success is truly an incredible milestone. Your commitment to quality and service has built a trusted brand and lasting relationships throughout the years.

Wishing Prinro continues success and many more prosperous years ahead.

Thank you for allowing us to be part of your journey...

Happy 30th Anniversary ...

QUALITY YOU CAN TRUST | INNOVATION THAT DRIVES US | PARTNERSHIPS THAT LAST | GROWTH THROUGH COMMITMENT

Proud to be part of your journey.

Truss Office 022 715 1426

Since 1999, Prinro Trusses has been designing and manufacturing high-quality timber roof trusses from a **Category A** truss plant using advanced **MiTek Pamir software**. We deliver engineered roofing solutions that are fully SANS compliant, professionally manufactured, and supported with Regulation A19 certification.

OUR OFFERINGS:

- Code Compliance & SANS Certification
- 3D Roof Models & Pricing Estimations
- On-Site Measurements & Expert Consultations
- Light Steel Roof Engineering
- A19 Roof Inspection
- Form 3 Certification
- Custom Roof Design Solutions
- Hybrid Roof Designs (Steel & Timber combinations)
- Engineering for Concealed Fixing on Exposed Trusses
- Structural Inspections (old/damaged roofs & insurance reports)

A-Frame Trusses

SALIGNA TIMBER

EXOTIC TRUSSES OPTIONS

- TBTO Pine (Clear Treated Pine)
- Saligna Timber
- Spruce Timber
- Poplar Timber

Configurations Available In:

- Concealed Secret Fix Trusses
- Bolted Trusses with Gusset brackets

Decking Office 022 783 0086

PRINRO DECKING (PTY) LTD

For the love of Concrete

ABOUT US

Founded in 2019, Prinro Decking is a leading concrete decking supplier on the Cape West Coast, offering a wide range of concrete, steel bending and light steel engineering solutions to the building market.

We pride ourselves on delivering quality products and services that support your building projects from the ground up.

GATES

Our gates are custom manufactured to meet the specific needs of our clients. Within the steel outer frames, we offer a variety of cladded gate inserts ranging from timber options to fibre cement panels. Outer steel frames can be primed, galvanised or epoxy-coated.

OUR OFFERINGS:

- Light Steel Engineering (Welding)
- Gas Cages (DBL / Single)
- Pre-packed Concrete Mixes
- Pre-Cast Rib and Block Decking
- Patented Concrete Water Channels
- Pre-cast Beams
- Reinforcing Steel
- Custom Pergolas
