You will only purchase one awning in your lifetime – Let’s us do it together!

Eclipse SA

Custom Design

Tailored to merge, outdoor and indoors seamlessly into an entertaining space, ensuring it compliments every aspect of your home and lifestyle.

- Neat, clean and uncluttered.
- Concealed motors, gutters and down pipes.
- 1,8mm extruded flat panels opening to +-180 degrees for maximum ventilation and comfort.

Eclipse SA

ARCHITECTURAL FLAT OPENING ROOF STRUCTURES!

Engineered for lasting performance. Only premium, corrosion-resistant aluminium and marine-grade stainless steel components used to ensure exceptional durability, minimal maintenance and long-term reliability.

Elevate your outdoor lifestyle with Eclipse. Our bespoke architectural structures bring elegance and sophistication to your home, creating the perfect setting to relax, entertain and enjoy the beauty of the outdoors in comfort and style.

Eclipse SA

Lifestyle Transformations Start Here!

Unlike your vehicle that depreciates over time, following a simple maintenance routine is expected to render your Eclipse architectural flat open roof structure vibrant and appealing to buyers once it’s your time to move on.

Eclipse seamlessly merges your home with your garden.

Eclipse SA

ECLIPSE _ A GAME CHANGER IN LOUVRE ROOF SYSTEMS!

Enjoy Outdoor Living, Your Way — All Year Round!

Make the most of South Africa's outdoor lifestyle with Eclipse. Control natural light, ventilation and shade at the touch of a button while helping protect against the harsh sun.

Closed, Eclipse is an elegant, flat, linear ceiling. Open, it becomes a versatile louvre roof, creating the perfect setting for relaxation and entertaining.

No more flapping umbrellas. No more chasing the shade. Just effortless comfort at the touch of a remote.

Eclipse SA

Eclipse - A ceiling when closed - An awning when open.
