The Spa is a place of tranquillity and relaxation. Thank you for respecting our wellness centre by speaking quietly and switching off your mobile phones. Bringing in food and drink is not allowed.

WHAT TO WEAR

Swimming costume, bathing cap and flip-flops are compulsory (available at the Spa reception). For in-cabin treatments, you will be given what you need (disposables and towels). Our therapists are professionally trained to a high level and will ensure your comfort and privacy at all times.

VALUABLES

We recommend you leave your personal valuables in the safe in your room, as we decline all liability for the loss or theft of items at the Spa Centre.

SPECIAL HEALTH PROBLEMS

If you have any health problems or allergies, or if you are pregnant, please inform our staff when booking your treatment. Some treatments may not be appropriate.

CHOICE OF THE MOST APPROPRIATE SPA TREATMENT

The full list of spa treatments is available on our website. If you think you need help choosing a treatment, please call the spa directly or go to the reception desk, where we will be happy to help. We also recommend that you book your spa services as far in advance as possible.

DURING THE TREATMENT

Your expectations and preferences are our concern. Please do not hesitate to inform your therapist if you feel uncomfortable with any part of your treatment (pressure, music, temperature, etc.). We can then adjust the treatment for your comfort.

LATE ARRIVAL

Please arrive at least 15 minutes before your appointment. Unfortunately, arriving late will limit the time set aside for your treatment, make it less effective and, most importantly, affect your pleasure and enjoyment. As a courtesy to all our clients, all treatments are given at the scheduled time. The charge for our services will be applied in full in all cases.

CANCELLATION OF A SPA RESERVATION

Please give us at least 12 hours' notice in case of cancellation. For reservations cancelled less than 12 hours before the appointment, 50% of the total amount will be charged. No-shows will be charged the full amount for the treatment reserved.

MINIMUM AGE

Guests under the age of 16 are not allowed access to the water zone, sauna and steam bath. If they reserve a treatment, they must be accompanied by their parents to the cabin directly.

PAYMENT

We accept all major debit and credit cards, and cash.

As a hotel guest, your spa services will be charged to your room if you prefer.
