

Animal traps 1 door

Makes catching pests easy

COMPLETELY MADE OF ZINC PLATED WIRE MESH, VERY DURABLE

POWDER COATED IN MATT GREEN (VK1EGP/VK2EGP/VK3EGP)

PRODUCT DETAILS

1*) Once an animal touches the bait placed on the middle plate in the cage, the door behind the animals closes directly

2*) Thanks to the door at the other side of the cage trap the trapped animals can easily be released
