CLASSY MILK

LAVAZZA

TORINO,
ITALIA, 1895.

CLASSY MILK

Touch Interface

3 different coffee selections and 3 milk-based recipes.

One Touch Milk Frother

Attach milk pipe directly into the bottle, steams it until frothy and dispenses it into the cup.

Small/Large Cup Rack

Adjustable to two heights.

Large Used Capsule Collection Tray

Easy to remove and to clean, it can hold up to 15 used capsules. The display signals when it needs to be emptied.
