

COMFORT

Compact Snoozzer

Perfectly compact when packed. Perfectly adaptive. Perfectly tailored to you.

The Goldilocks of inflatable travel pillows, its Quick Adjust Air Valve allows you to fine-tune the shape at the push of a button. The flat back design makes it an ideal companion for upright sleeping and it holds securely in place too thanks to its non-slip rear grip. No slipping and sliding, no being generally annoying. Just sink-in, relax and let your stress float away. It packs down into the most compact of micro carry pouches.

Clip it to your pack and Go. This could easily slot into your everyday travel.
