RP170L Record Player with Record Storage Case Wood

Enjoy the authentic sound of vinyl and play all of the best records using this RP170 turntable. This 2-in-1 set of record player and matching record storage case is vintage wood-grain appearance and can store up to 30 records. The 3-speed turntable can play 33, 45 and 78 rpm records and is equipped with various input and output options, like a headphone output for private listening without bothering others. The BT function turns your turntable into a wireless speaker thanks to the built-in stereo speakers.
