### Immersive sound experience

With 24-bit HiFi audio and 2-way speakers, the Galaxy Buds2 Pro let you get the most from your music. Their intelligent 360 audio offers crystal-clear sound and the powerful Active Noise Cancelling technology (-35 dB) allows you to concentrate on your music or your podcast completely undisturbed. What is more, the automatic call mode now lets you make calls seamlessly and hands-free.

### New wearing comfort

The new Galaxy Buds2 Pro are ultra-light and 15% smaller than the Galaxy Buds Pro, so they fit perfectly in your ears providing maximum wearing comfort. Their ergonomic shape and increased air circulation allow for yet greater comfort. They also reduce wind noise, so you can hear your music in crystal clarity even when outside. The Galaxy Buds2 Pro are available in Graphite, White and Bora Purple, stylish and timeless at the same time.

### Seamless wireless connection

The Galaxy Buds2 Pro's advanced connection technology allows you to connect seamlessly to your smartphone, tablet, TV or smartwatch and switch between them very easily. Thanks to the SmartThings App, you can always find your Galaxy Buds2 Pro again if you ever lose them or leave them somewhere. Wireless PowerShare also lets you charge your Buds using your smartphone, if you ever need a quick battery boost when you are on the move.
