# The Dreamer Eye Mask

*Escape the world or maybe just your travel buddy?*

This cosy eye mask is 100% light blocking - not a glimmer gets through. Add the integrated ear plugs to create the perfect sleep environment. Also, if you're fond of extra-long lashes or prefer to sleep with less restriction, the inspired dome-shaped eye area minimises eye contact. Best of all, it has a snag-free, fully adjustable headband to avoid hair tangles and is effortless to adjust for maximum comfort. You'll wake up looking as good as the moment you nodded off. Pairs perfectly with The Memory Dreamer travel pillow and pops in a pettely proportioned carry pouch to keep fresh. You can even wash it when you're done.
