

USB-C® 14-Port Docking Station

Our USB-C 14-Port Docking Station allows laptop users to expand their workstation while staying charged—all through a single USB-C connection. It has data transfer speeds of up to 10Gbps; connects Chromebook to up to two extended 4K monitors with DisplayPort, HDMI, or USB-C; and will charge with up to 65W of pass-through power. Plus, optimized features allow installation of firmware updates directly through Chrome OS for an enhanced connectivity experience.

Product Benefits

- Single dock for charging and sharing provides an easy, hassle-free connection
- HDMI, DisplayPort, and USB-C video port options add flexibility
- Pass-through power up to 65W with USB-C Power Delivery
- Compatible with Chromebook and Windows PCs
- Connect up to 3 displays on select Windows host devices with MST capabilities
- Chromebook-optimized eliminates compatibility issues for a seamless connectivity experience
- Supports multiple extended displays with up to 4K resolutions
- Multiple ports to connect needed peripherals

Package Includes

- USB-C 14-Port Docking Station
- USB-C Cable (3.3 ft./1m)
- Power Adapter
- Quick Start Guide

Compatibility

For Chrome OS devices and PCs with USB-C connection

The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data, to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin CONNECT Family Characteristics

- Developed for compatibility with industry-leading protocols (examples include Dolby Vision™, HDR 10, HDMI, DisplayPort)
- High-resolution support
- Maintains high-speed connection for smooth picture
- Simple plug-and-play connectivity
- Durable construction

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Rigorously tested to ensure lasting quality

USB-C® 14-Port Docking Station

Technical Specifications

- 2x HDMI® 2.0
- 2x DisplayPort™ 1.4
- 2x USB-C (1x upstream, 1x downstream) 10Gbps
- 1x USB-C (MFDP) port
- 1x USB-A 10Gbps port with BC 1.2 and Apple Charge 2.4A (front)
- 2x USB-A 10Gbps ports with 5V/0.9A (rear)
- 2x USB-A 2.0 ports 480Mbps with 5V/0.5A (rear)
- Up to 65W Power Delivery
- Gigabit Ethernet
- Audio in/out
- Works With Chromebook™ Certified, firmware updates are automatic through Chrome OS™

System Requirements

- PC with USB-C interface supporting VESA USB Type-C® DisplayPort Alt Mode
- Supported operating systems
 - Chrome OS
 - Windows 10
