PRODUCT DESCRIPTION
<p>BISSELL® ICONPET® TURBO 25V Li-Ion Cordless Vacuum is the perfect solution to Pet Parent's everyday needs. With it's 400W Digital Motor + Turbo Boost it provides an extra powerful cleaning experience running up to 50 minutes in full-size vacuum on low power mode. Our patented Tangle-Free Brush Roll actively prevents hair wrapping around the brush and the pet odor management filter freshens while you clean. ICONPET® Turbo has improved Edge-cleaning* providing full width suction, so you can easily clean along the edges and corners of your home. It offers the versatility to be used as a handheld or high-reach vacuum so you can tackle pet hair and debris on your furniture and upholstery. The attachment hose allows for more maneuverability so you can vacuum in your car, tight spaces, and more. Equipped with an engineered dirt tank system to remove debris from the separator, so there's no clean up after the cleanup. The bright LED lights help illuminate messes you can't always see with other vacuums.</p> <p><i>* As compared to BISSELL® ICONPET® Model 2602D</i></p>
