

Philips 5000 Series
Bagless vacuum cleaner

900 W

PowerCyclone 7
Allergy H13 filter
TriActive+LED nozzle

FC9557/19

50% more suction power

Captures >99.9 of fine dust*

The Philips Bagless Vacuum 5000 Series achieves maximum deep cleaning results with minimum effort thanks to PowerCyclone 7 technology and TriActive+ LED nozzle to reveal hidden dust.

Superior performance

- TriActive+ LED nozzle reveals hidden dust for thorough clean
- PowerCyclone 7 keeps strong suction power for longer
- 900W motor for high suction power
- Mini Turbo brush for easy (pet) hair and fluff removal
- Allergy H13 filter system captures >99.9% of fine dust
- Power control function to adjust suction power

Effortless cleaning

- Soft brush integrated into handle, always ready to use
- Compact design with front and top handle for easy carrying
- Soft bumper and rubber wheels to protect furniture
- Dust container designed for hygienic emptying with one hand

Superior performance

- 99.9% dust pick-up** to deliver deep cleaning results

PHILIPS

Bagless vacuum cleaner
900 W PowerCyclone 7, Allergy H13 filter, TriActive+LED nozzle

FC9557/19

Highlights

99.9% dust pick-up**

TriActive+ LED and high suction power ensure you can vacuum 99.9% of fine dust**.

TriActive+ LED nozzle

TriActive+ LED lights make invisible dust visible on hard floors so you never miss a spot and can ensure the most thorough cleaning on all types of hard floors. A sensor automatically turns the LED lights on when the nozzle is in use and off when it is not. 3x AA batteries included.

Integrated brush

Dusting brush tool is built into the handle so it's always ready to use on furniture, flat surfaces and upholstery.

Compact and lightweight

Compact and lightweight design ensure both storing and lifting the vacuum is easy. The design includes top and front handles for effortless carrying.

Soft bumper and rubber wheels

Soft bumper and rubber wheels protect furniture and prevent floor scratches while being easy to maneuver around your home.

Hygienic dust disposal

Easy-to-empty dust container is designed for hygienic disposal with one hand, to help minimize dust cloud.

PowerCyclone 7 Technology

PowerCyclone 7 technology features an aerodynamic design to minimize air resistance and ensure sustained strong suction power. Super accelerated air flow in the cylindrical chamber and unique exit blades effectively cut out the dust from the air.

High-efficiency 900W motor

High-efficiency 900W motor with over 50,000 RPM, generates high suction power for a deep clean every time. Register at Philips.com within 3 months of purchase for a free 5-year motor warranty.

Mini turbo brush

The Mini Turbo brush rotates to quickly remove hair, fluff and dust from couches, cushions and other fabrics. Ideal for pet owners.

Specifications

Weight and dimensions

- Dimensions of product (LxWxH): 412 x 280 x 280 mm
- Weight of product: 4.5 kg

Accessories

- Filter replacement kit: FC8010/02

Design

- Color: Deep black

Performance

- Input power (IEC): 899 W
- Sound power level: 71-77 dB
- Input power (max): 900 W

Usability

- Tube coupling: ActiveLock
- Action radius: 9 m
- Carrying handle: Top and front

- Power control: Electronic on appliance
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber

Nozzles and accessories

- Accessories included: Crevice tool, Integrated brush
- Standard nozzle: TriActive+ nozzle
- Accessory storage: On tubeclip
- Extra accessories: 3x AA Batteries

Sustainability

- User manual: 100% recycled paper
- Packaging: > 90% recycled materials

Filtration

- Dust capacity: 1.5 L
- Exhaust filter: Allergy H13 filter
- Motor filter: Washable filter
- Filtration level: HEPA 13 level***
