The IMPERIAL DABMAN i205 combines the features of a DAB+ and FM radio with the huge possibilities of web radio, music streaming access and home networking. Being capable of receiving digital and analogue radio signals via DAB+ and FM as well as web radio stations, the DABMAN i205 may also be connected to mobile devices via Bluetooth 5.0 and UPnP. A wide range of features such as multilingual OSD menu, plug & play installation, time display, multilingual menu and alarm clock mode featuring sleep timer top off the list of useful functions, making the IMPERIAL DABMAN i205 one of the best hybrid radios in its class.
