

A man wearing a black leather jacket and a headset is sitting at a desk, focused on a Predator laptop. The laptop is open, and he is using a mouse with his left hand and typing on the keyboard with his right. A small, black, rectangular 5G dongle is plugged into the laptop's USB port. The background is a dark, blue-lit room with vertical slats. The Predator logo is visible on the back of the gaming chair and on the laptop lid.

PREDATOR
CONNECT D5 5G Dongle

1. THE PATH TO 5G

When you're out and want some of that delicious top-tier speed – 5G is the obvious answer. That it's easy to use (Plug and Play via USB-C) with a theoretical throughput of 2.7Gbps.

It is just icing on the cake

2. STAY COOL

Unlike phones, active cooling keeps all the components cool and crisp so that speed stays at its maximum potential

3. WORKING TOGETHER

Take absolute control of your network experience and manage how your data is being used.

*5G LTE speed and availability vary by area. Check your telecommunication provider for details. The actual 5G speed varies and is dependent on user's network plan.

Specification may vary depending on model and region. * For product spec and price in specific markets, please contact your nearest Acer office.

CONNECT D5 5G Dongle

Specification

Processor	MediaTek T700 1.5 GHz ARM Cortex A7
Memory / Storage	512 MB LPDDR4X / 512 MB NAND
Cellular Compliance	<ul style="list-style-type: none">• 5G NR & LTE dual connectivity 3GPP R15, NSA, SA• LTE Cat-19 DL• CE: NR Band n1, n3, n7, n28, n38, n40, n41, n77, n78• CE: LTE Band: B1, B3, B5, B7, B8, B20, B28, B38, B40, B41, B42• FCC: NR Band n1, n3, n5, n7, n28, n40, n41, n71, n77, n78• FCC: LTE Band: B1, B2, B3, B4, B5, B7, B8, B28, B38, B40, B41, B42
Software	ExtremeRoute, Advance Traffic Shaping, Network Monitoring
Thermal	Active Cooling
LED Indicator	Power / Signal (Single Color LED)
Power In	USB 3.1 Type C
Temperature	Operating Temperature -10 °C ~ +55 °C
Dimensions	15mm x 45mm x 198mm with cable

*5G LTE speed and availability vary by area. Check your telecommunication provider for details. The actual 5G speed varies and is dependent on user's network plan.

Specification may vary depending on model and region. * For product spec and price in specific markets, please contact your nearest Acer office.

Predator Connect D5 5G Dongle with WTFast Gamers Private Network (GPN)

Free on Predator Connect X5 5G CPE*

Experience online gaming without lag. Lower ping, smoother connection, fewer spikes, less jitter and packet loss.

- Increase Internet stability up to 90%
- Reduce game ping up to 60%
- Less lag
- Eliminate jitter
- Scalpel like split tunneling for routing telemetry traffic using AI

EXPERIENCE ONLINE GAMING WITHOUT LAG

OVER 1000 GAMES SUPPORTED
NO LOST PACKETS OR HIGH PING TIMES

wtfast

The advertisement features a dark blue background with the text "EXPERIENCE ONLINE GAMING WITHOUT LAG" in white. Below the text is the WTFast logo. To the right, there are three game covers: Overwatch, Fortnite, and Dota 2. Below the game covers, it says "OVER 1000 GAMES SUPPORTED NO LOST PACKETS OR HIGH PING TIMES".

*The free WTFast version on the Predator Connect X5 5G CPE supports one selectable device on your network at a time with GPN traffic limits.

Users can pay to upgrade to the advanced version for simultaneous acceleration with unlimited GPN traffic and advance features. Actual performance is dependent on the network and service provider, interface types, and other conditions. All specifications are subject to change without notice. Products and offers may be available in selected markets only. Please check with your supplier.
