MagSafe 15W
Wireless Charging

Wireless Charging Compatible
Metal Ring Plate Included

Magnus-Qi is a stunning 15W MagSafe-compatible wireless car mount and the perfect charging solution, designed to enhance your driving experience. The 360° cradleless design coupled with a triaxial height adjustable arm provides infinite viewing angles. This elegant car mount with a unique transparent design, and aluminum rim, makes it the perfect accessory for your car. Magnus-Qi can be mounted directly on your dashboard and is also compatible with the extended dashboard display screens of Tesla, Mercedes, BMW, and other cars without the fear of falling off even in rough driving conditions. Smoothen your journey, and power your smartphone for every adventure with Magnus-Qi.

- Windshield Dashboard Compatible
- 3M 3M Adhesive Pad
- 360° Rotatable Design
- Adaptive Fast Charging
- MagSafe Case Compatible
- Allen Wrench Key

Transparent Design

Magnus-Qi has a transparent design to add a touch of style to your car's interior to give you a one-of-a-kind charging experience

15W MagSafe Compatible

Magnus-Qi MagSafe compatible wireless charging car mount aligns with your smartphone and charges your compatible devices at 15W lightning speeds

Quick Magnetic Alignment

No more awkward fumbling; the perfectly aligned magnets on Magnus-Qi snap onto your devices quickly and seamlessly, keeping them secure, even through bumps and turns

Stylish Design

Magnus-Qi has a sleek and slim design that perfectly complements your smartphone device and adds a touch of style to your car's interior

Flawless Fit

Magnus-Qi can be mounted directly on your dashboard and is also compatible with the extended dashboard display screens of Tesla, Mercedes, BMW, and other cars

Charge Securely

The onboard safety chip in Magnus-Qi provides overcurrent, overheat, over-voltage, and short-circuit protection, so you can charge with confidence

360° Cradleless Design

The cradleless design allows you to set your music in portrait mode or use the navigation in landscape mode with ease

Triaxial Height Adjustment

The arm of this car mount features a triaxial height adjustment, providing three foldable joints that allow you to adjust your device to a position that suits your viewing convenience
