**PRODUCT DESCRIPTION**

The BISSELL® SpotClean® HydroSteam™ portable Carpet and Upholstery Cleaner features HydroSteam™ Technology to make it up to 50% easier and faster than ever before to remove the worst stuck-on messes and set-in stains. It cleans across multiple surfaces, like carpets, area rugs, upholstery, car interior, tile grout and more thanks to the combination of steam vapor, water & specially formulated BISSELL® cleaning solution in combination with scrubbing action and powerful suction. Such versatility in cleaning is made possible by the three different cleaning modes 'Steam only', 'Wash' and 'SteamWash™' as well as the included Tough Stain Brush Tool and Multi-Surface Tool. The two separate removable tanks for clean and dirty water and the included HydroRinse™ Self-Cleaning Tool provide convenient use and cleaning thereafter.
