

## **Unleash Your Inner Adventurer**

Built to navigate any terrain with ease, its eye-popping and rugged design allows for a thrilling ride on the streets, or off the beaten path!

### **Thrills On and Off Road**

An exhilarating and bold eScooter with an off-road-inspired design, the Predator Extreme PES017 is great as a commuter scooter—yet extreme enough for thrilling all-terrain adventures.

### **Conquer All Terrains**

Ride with confidence and conquer jumps and drops, whether standing or sitting. Experience elite stability with front fork telescopic suspension, rear shock absorber, and a low center of gravity.

### **Unleash the Power**

The 350W (peak 960W) motor, reaches speeds up to 20 or 25km/h (depending on country regulation) while an impressive 40Nm torque conquers inclines up to 18%. And with the 48V/10.5 Ah Li-Ion battery, enjoy long-lasting rides with a range of up to 35km.

### **Adventure Awaits**

With nimble and responsive front and rear disc brakes, achieve precise maneuverability—and don't let the rain hold you back, as the IPX5 waterproof rating ensures fearless excursions through wet and wild adventures.

### **Embracing Infinite Opportunities**

Swapable batteries empowers you to embark on a journey of endless possibilities. Equipped with turn signals, allowing you to navigate safely and freely.
