Pictorial User Guide & Safety Sheets							

PRODUCT DESCRIPTION
BISSELL® Steam Shot™ Professional is a powerful high-pressure handheld steam cleaner to remove stubborn dirt and grime from many different surfaces around your home: kitchen, bathroom and much more. It gives you a chemical-free clean using only tap water with the power of steam in a handheld unit, killing bacteria around your home. It can clean for 15 minutes on a single tank. Using the steam on demand trigger, you can provide steam wherever you need it. This multi-purpose product includes a full complement of tools for a wide variety of different cleaning tasks. Steam Shot™ Professional comes with an extended cord to allow a larger operating radius.
