

# SCOTCHGARD™ Aerosol

## Heavy Duty Water Shield

Ultimate Protection against common  
Weather Conditions

Stocknumbers: 7100228883 / 7100228884

### Technical Data

**Date:** April 2020.

**Supersedes:** Initial issue.

#### DESCRIPTION

The product is solvent based aerosol, specially designed to protect tants, backpacks, patio furniture, outerwear, cotton & cotton blends, sproting gear, boot covers, canvas, etc.

#### PRODUCT BENEFITS

##### Long lasting protection

- Repels rain, snow and moisture
- Dries quickly
- Creates a durable barrier to water that keeps clothing and gear drier longer
- Long lasting protection that leaves fabrics breathable

#### COVERAGE

Coverage per can varies with fabric type: from about 5,5m<sup>2</sup> for light nylon to about 1,8m<sup>2</sup> for heavier fabrics

#### DIRECTIONS FOR USE

1. Protect surrounding non-fabric from overspray. If overspray occurs quickly wipe up.
2. Shake can well. Only apply to clean, dry articles.
3. Test for colour fastness. Spray in an inconspicuous area and allow article to dry completely to check for color change. May give fabric a slightly darker, richer tone.
4. Spray with slow sweeping motion 15 to 20 cm away from article. Cover article uniformly, but do not saturate.
5. Allow article to dry completely before using.

Téléphone : 01 30 31 61 61

6. Reapply seasonally or as needed and after cleaning to maintain repellency. If relative humidity is below 50% while drying, spray with water for optimal results

#### SAFETY USE

**Extremely flammable aerosol. Pressurized container. May burst if heated. Vapours may cause drowsiness and dizziness. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Avoid breathing vapour or spray. Use only outdoors or in a well-ventilated area. Protect from sunlight. Do not expose to temperatures exceeding 50C/122F. Dispose of contents/container in accordance with applicable local/regional/national/international regulations. Repeated exposure may cause skin dryness or cracking. 8% of the mixture consists of components of unknown acute oral toxicity. Contains 8% of components with unknown hazards to the aquatic environment.**

#### NOTE

Use of this product on shoes with white rubber soles may cause the rubber to yellow. Should this happen, treat the yellowed area as soon as possible with rubbing alcohol.

#### SPECIFICATIONS
