

## **Full description of residential complex The View Marbella**

The View Marbella is a prestigious residential complex near the charming village of Benahavís close to Marbella on the Costa del Sol, designed for those seeking outstanding luxury and comfort. This development features exquisitely designed 2, 3, and 4-bedroom apartments and penthouses, all offering breathtaking views of the Mediterranean Sea towards Gibraltar and the coasts of Africa.

The amenities at The View Marbella are unique, providing a modern health and wellness center boasting a 25-meter indoor pool, full spa and modern gym. The outdoor pools, also 25 meters, is set within beautifully landscaped gardens. The 24-hour security ensures a safe and private living environment.

The complex is situated close to the renowned La Quinta Golf Club and offers residents easy access to world-class golfing facilities. Additionally, its location in the tranquil hills above Marbella provides a peaceful setting while being conveniently close to the vibrant city life, with an array of shopping, exclusive dining, and entertainment options. The first phase of the development includes 49 luxurious apartments, while the second and third phases will introduce 58 additional premium units, further enhancing the exclusivity of this remarkable community.

Additionally, the new phases will include access to exclusive amenities such as a salt water pool with jacuzzi, outdoor garden gym with yoga area, Petanca, and a conference center.

Investing in The View Marbella means securing a place in a prime, luxurious setting with top-tier amenities and stunning views, making it the ideal choice for those looking for a high-end lifestyle on the Costa del Sol.
