April 10th, 2020

Hello. According to the Rutherford Board of Health, as of 3:00 pm today, the total number of COVID-19 positive cases in Rutherford has risen to a total of 104 .

The residents with new positive results range in age from 21 to 70 years of age. The situation continues to be closely monitored by our Board of Health. Our first responders continue to take all possible precautions when assisting our community.

Rutherford Police and EMS are still gratefully accepting donations of any N-95 and non N-95 masks, disposable gloves and disposable gowns. Please contact the Mayor's office directly at 201-460-3022.

The state has organized useful information for anyone needing to speak to a healthcare professional and much more on its nj211.org site. A direct link can be found on the Borough COVID-19 webpage.

This of course is a fluid situation and the Borough is in constant communication with County and State officials. As needed, we will be updating residents by Borough website, Twitter, and Facebook daily.

On a lighter note, I'm happy to announce that the Rutherford Volunteer Fire Department has teamed up with local musician James McGill to spread some cheer this holiday weekend to all our residents doing the right thing by staying home. They will be escorting the Easter Bunny around town tomorrow, Saturday, April 11th, between the hours of 2-4 pm. The Easter Bunny's main mission is to brighten the day of the children of our local first responders who live in town. He won't be able to visit every street in Rutherford, but we'll be sure to take photos and video so everyone can see him even if he doesn't get to your neighborhood. We ask that you not use this as an excuse to have a party on your lawn, but to consider it a small token of our appreciation and enjoy it with your immediate family.

Sincerely,
Councilman Ray Guzman
