

April 15th, 2020

Hello. According to the Rutherford Board of Health, as of 3:00 pm today, the total number of COVID-19 positive cases in Rutherford has risen to a total of 120.

The residents with new positive results range in age from 58 to 65. The situation continues to be closely monitored by our Board of Health. Our first responders continue to take all possible precautions when assisting our community.

I'd like to thank all of our first responders for your tremendous dedication to our community. Please continue to support them by donating N-95 and non N-95 masks, disposable gloves and disposable gowns. Please contact the Mayor's office directly at 201-460-3022.

Governor Murphy has officially signed into law the change of date of the primary election from June 2nd to July 7th as well as extending the filing date for income taxes to July 15th.

I'd like to begin sharing some positive messaging. I realize that many of our local businesses deemed "non-essential" have been developing unique ways to service our community during this crisis. We will begin highlighting one of these Rutherford businesses during our daily messages in order to provide any help we can to our struggling businesses.

Starting this week, we are expanding the "Open Business" directory located on the Borough website to non-essential businesses who are offering online purchasing and services.

Today, I'd like to remind you that Painting on Park is doing online art classes. Please visit their website www.paintingonpark.com for more information.

This of course is a fluid situation and the Borough is in constant communication with County and State officials. As needed, we will be updating residents by [Borough website](#), [Twitter](#), and [Facebook](#) daily.

Sincerely,
Mayor Frank Nunziato
