

April 16th, 2020

Hello. According to the Rutherford Board of Health, as of 3:00 pm today, the total number of COVID-19 positive cases in Rutherford has risen to a total of 125.

The residents with new positive results range in age from 32 to 95. The situation continues to be closely monitored by our Board of Health. Our first responders continue to take all possible precautions when assisting our community.

I'd like to thank all of our first responders for your tremendous dedication to our community. Please continue to support them by donating N-95 and non N-95 masks, disposable gloves and disposable gowns. Please contact the Mayor's office directly at 201-460-3022.

By now you should have received your official 2020 Census form in the mail. As Chair of the Rutherford Census Committee, it's my duty to remind you to fill this out. It's important that we all be counted as Rutherford receives federal funding and grants based on our population. It also factors into our representation in Washington DC. If you're curious about [how well Rutherford has responded to the Census](#), visit the Borough website for a link to the official Census website.

Today, I'd like to remind you that Substance Salon is delivering hair products for men and women. Please visit their website substancesalon.com for more information. If your Rutherford business is still operating in accordance with social distancing guidelines, please fill out the form on our website if you haven't already done so.

If you are seeking employment, please visit the [State of New Jersey COVID-19 Jobs and Hiring Portal](#) where businesses are seeking immediate hires. That link can also be found on our website.

Please remember to take care of yourselves during this particularly stressful time. The state has a [webpage dedicated to helping people](#) feeling stressed or anxious during this outbreak.

This of course is a fluid situation and the Borough is in constant communication with County and State officials. As needed, we will be updating residents by [Borough website](#), [Twitter](#), and [Facebook](#) daily.

Sincerely,
Council President Tom Mullahey
